SUBJECT: GEORGE LINCOLN ROCKWELL
REGISTRATION ACT - UNITED ARAB REPUBLIC

Re WFO airtel 2-12-59 captioned "Drew Pearson, Information Concerning." For information of Richmond, this referenced airtel contained information furnished by

(protect identity per request), that Drew Pearson contacted [redacted] for information concerning subject's activity in the anti-Jewish Field. [redacted] Pearson seemed extremely anxious to obtain any information [redacted] might have linking Rockwell to President Nasser of the United Arab Republic (UAR) and Pearson reportedly stated that he (Pearson) had evidence that Rockwell has been sending wires and registered letters to Nasser. It was [redacted] impression that Pearson had obtained copies of these registered letters which Rockwell supposedly has sent to Nasser.

In view of the above information, you are instructed to immediately institute a Registration Act investigation concerning subject to ascertain if he is actually engaged in activities on behalf of the UAR or any other foreign principal which would require his registration and to develop competent evidence in this regard. WFO is designated office of origin in this investigation inasmuch as subject's activities as an agent of the UAR, if in fact he is so acting, would possibly primarily be centered in Washington, D. C. WFO should promptly contact established sources to verify whether Rockwell has actually sent wires and registered letters to Nasser as alleged.

[redacted] bearing in mind, however, that the aim here is to utilize such information in conducting other investigation to develop evidence which can be used by the

Department if a Registration Act violation exists. A mail cover request should be promptly submitted and efforts should be made to develop a confidential source so a trash cover on Rockwell's residence may be established. Subject's toll telephone calls should also be checked for information of possible pertinence and arrangements should be made to monitor his bank account.

Richmond should contact any sources who may be able to furnish information of pertinence to this investigation and render all possible assistance to WFO in handling instant investigation.

The attention of recipient offices is directed to WFO airtel 2-2-59 [redacted] 15/

For your additional information, the Department of State made available on 2-3-59 a Memorandum of Conversation dated 1-30-59, the participants to the conversation being Amin M. Mouftah, Minister, Embassy of the UAR, and [redacted] the State Department. The contents of this Memorandum of Conversation are set forth as follows:

"Mr. Mouftah telephoned to report that a Mr. Rockwell, whose name has been associated in some reports with the bombing of the Jewish synagogue in Atlanta, appeared at the United Arab Republic Embassy on January 28 and January 29. The first day he had been turned away for lack of an appropriate UAR official with whom he could converse. The second occasion he was referred to Mr. Mouftah.

"Mr. Mouftah said that as soon as he was introduced to Mr. Rockwell he asked the latter to please leave the Embassy. Mr. Rockwell insisted that he had an abundance of information which would be of interest to the UAR Embassy. Reminding Mr. Rockwell that the UAR has already become victim of vicious propaganda based on false allegations concerning complicity in the bombing of Jewish institutions,

*Letter to SAC, Washington Field
Re: George Lincoln Rockwell

Mr. Mouftah told Mr. Rockwell he was simply not interested and to leave immediately. According to Mr. Mouftah, Mr. Rockwell therewith made his exit.

"Mr. Mouftah said he wished to report this information to protect the UAR Embassy from any misunderstandings, malicious or unwitting, which might arise should a report get out that Mr. Rockwell had been seen at the UAR Embassy."

Although the above information as set forth in WFO airtel 2-2-59 and substantiated by the information in the State Department Memorandum of Conversation indicates possibly that the subject is not acting in any agent capacity for the United Arab Republic, possibility exists that he is engaging in activities through his correspondence and possibly contacts with other individuals connected with the UAR or other Arab establishments which may require his registering. You should, therefore, give this matter prompt and continuous attention in order to resolve this investigation as soon as possible.

PLAINTIFF

EXECUTIVE COMMITTEE,
CARDozo LANCE,

DEFENDANT

ANSWER TO DEMURRER AND ORDER

Comes now the Plaintiff, Lincoln Rockwell, and, for his answer to Defendant's Demurrer and the Court's Order, states as follows:

1. In its opening paragraph, Defendant alleges that Plaintiff's claim is "frivolous on its face" and that he has no cause of action for which relief can be granted. Plaintiff respectfully submits that, because of the libels of Defendant, he is unable to earn a living, cannot even hire a lawyer, and has been forced to send his family out of the Country to escape the obscene threats and the sexual attacks of large numbers of individuals who admittedly belong to Defendant's group, all of which he is prepared to prove in Court. Plaintiff respectfully submits that there is nothing "frivolous" about this situation, nor about the situation of our Country and its people, when lawyers who will defend the most heinous of murderers and villains are universally afraid to represent a man and his family when they must face what the Bible calls "the fear of the Jews".

2. In paragraph "1", Defendant gratuitously persists in arguing the matter of Hitler, although Plaintiff has stipulated that as not contended; and it is therefore concluded. It is obvious that Defendant is attempting to imply that because Plaintiff believes in the philosophy of Hitler, he therefore believes in all the evils - continuously attributed to Hitler and his regime in the massive propaganda poured on Americans by the group represented by the Defendant. Since Defendant persists in this evasiveness, Plaintiff must make clear his stand on the matter, and, in this purpose, attaches a copy of a magazine article written by me. Plaintiff as a scientific experiment to test the validity of the common statement that hate cannot be found in any newspaper or magazine

fact, especially in regard to Hitler's alleged "extermination" of six million Jews. Plaintiff has the documents to prove that a huge number of Jews who have been listed by organizations affiliated with the Defendant as "exterminated" in gas chambers by Hitler, have latter died happily and richly in the Bronx, New York, where their physicians list their birth date and city in Germany, and it is possible to show that the same individuals who are bringing enormous sums in Israel as "reparations" actually simply moved into America, thus perpetrating another monstrous and profitable fraud. To further test the "six million Jews murdered" myth, and the validity of the Concentration Camp atrocities, Plaintiff concocted the most villainous imaginable piece about Nazi medical experiments on nude women and shipped it to a typical Jewish-controlled magazine. It was immediately purchased and the editors asked for more of the same. They added the fraudulent pictures seen on the title page, and printed it as one more evidence of what they called "Man's inhumanity to man". It is, of course, lies and nonsense, as is most of the rest of this sort of REAL "hate" material.

Plaintiff begs the Court's indulgence in including this argument and material, but the Defendant insists on bringing the matter in, and Plaintiff must make it crystal clear that he is utterly opposed to extermination of ANY innocent individual or group, or unfounded hate of any innocent individual or group, and it is only the plain implication of the Defendant which forces Plaintiff to impose upon the Court's time and effort with this irrelevant material.

To recapitulate, Defendant has gratuitously injected an irrelevant opinion as to what Hitlerism is, based on its own fabrications and false propaganda; implied these sins and motives to the Plaintiff, and endeavored thus to tie him with the brush of criminal, aggressive brutality and wickedness.

3. The utter absurdity of Defendant's entire position may also be seen from the fact that, as supporters, -and financial supporters at that, - of the state of Israel, Defendant itself falls under his own definition of "Hitlerism". In spite of its cavilling over a typographical error of Plaintiff in inserting an "and", Defendant will surely not deny that Semites certainly include Arabs, even if they claim that Plaintiff is "frivolous" in his stand that he is pro-Yah, and therefore pro-Semite. And since Israel has been condemned again and again by the United Nations for aggressive acts of conquest against the Arab Semites, they surely will not deny that Israel has committed acts of aggression, thus fulfilling the first part of

ALL INFORMATION CONTAINED

their own definition of "Hiliterism", is "conquest through aggressive war"; And, since they have also been condemned by the United Nations for driving over a million Arabs (Semites) from their ancestral homes of over two thousand years, thus committing a very real pogrom against the Semites, they can also be very properly and justly called "Anti-Semites". Thus fulfilling the last part of their own definition of "Hiliterism". PLAINTIFF realizes that this all seems mad, and prays the Court's patience, because it is necessary to show that it seems mad only because it is all based on an enormous complex of lies and misrepresentations, and, like all self-justification but un-real systems of lies, lead to an infinity of absurdities.

The PLAINTIFF can, if necessary, prove by evidence that even the dictionary authorities quoted by the Defendant are part of this complex of lies, but, to save the Court's time and patience, will simply stipulate that he is "Anti-Semitic" in the light of Defendant's statement that it means, in fact, "Anti-Jewish". (The Court's attention is respectfully invited to the fact that ALL the dictionary definitions quoted by Defendant are relatively recent, and ALL are a complete departure from the definitions existing previously for hundreds of years. When it is shown, as it can be, that the definitions have actually changed when members of Defendant's group gained financial control of the Corporations publishing these dictionaries, perhaps the Court will understand the PLAINTIFF's deep concern for what is happening in our Country, it is all unbelievable, but easily provable in a Court of Law; If it can ever get there.)

No person would be gained by a semantic battle over this word, so the PLAINTIFF hereby withdraws "Anti-Semitic" as a part of his libel complaint, and will stand or fall on his contention that he has never, as alleged libelously by Defendant, published "scurrilous hate-sheets and papers".

1. Defendant has obligingly provided the first available definition of "hate-sheet" as one which is "incited by and tends to promote hate". A "scurrilous" hate-sheet must therefore be an especially vicious and vile example of a paper produced by a villain motivated solely by hate and intended to promote more hate.

As already fully set forth in PLAINTIFF's Pre-trial statement, it would be manifestly absurd to call a newspaper a "hate-sheet" because the reporters and editors, brimming with justifiable hate at a justifiably horrible sex-fiend for instance, who has murdered a little innocent child, write a true story of

true, every newspaper in the Country would be a hate-sheet. The court itself would be less than human were it not to feel some hatred for some of the victims creatures brought before it, regardless of its efforts to maintain judicial neutrality, and there can be no doubt that a Judge who causes the very proper conviction of a villain helps to expose him to hatred, but no man in his right mind would think of calling a Court's order in such a case a "hate-sheet", even though it might have been written by a man wrestling with revulsion and hate, and might promote more hate. Another example is the still-strong tide of anti-Nazi movies, articles and other material (such as the one written by the PLAINTIFF) all produced by people motivated by hate, and certainly designed with genius to promote more hate of one group of White Christians for another. Probably the best example is the Bible itself. Jesus Christ is unsparing in His condemnation of the Jews, as hypocrites and the very "children of the Devil", as liars, and "whited sepulchers, clean and beautiful on the outside, but full of uncleanness and dead-men's bones on the inside". But even the Jews have not yet called Jesus a "hate-monger".

In all this welter of confusion, the only possible guide can be the TRUTH. If a man hates, and promotes hate of INNOCENT people or groups, he is despicable and might be properly called a "hate-monger". But a Court, or a newspaper, or a pamphleteer who exposes the TRUTH about people or a group who merit and deserve hate, cannot be called "hate-sheet" peddlers without destroying the entire foundation of a moral society.

The mere fact that the PLAINTIFF, in his pre-trial statement, recognizes that some of the material he has printed and distributed tends to promote JUSTIFIED hate is no more grounds for depriving him of his rights to an open trial of the FACTS before a jury on the question of whether or no he printed "scurrilous hate-sheets and papers" than would be the admission of the Court that its printed record of the proceedings in the trial of particularly revolting murder might expose the murderer to hatred should expose the Court to the charge of "hate-mongering".

PLAINTIFF respectfully submits that there is a very simple question now before the Court: "Did the PLAINTIFF, in fact, print and distribute scurrilous hate-sheets designed to promote unfounded hate for innocent people, or did he simply expose true facts about guilty individuals who deserve public condemnation and hatred, so that he has been slandered and libelled by Defendant who has accused him of the conscious promotion of hatred?" PLAINTIFF submits that the questions

law, decided by a jury of Americans in open Court.

Before making formal pleading, Plaintiff desires again to pray the indulgence of the Court for his necessarily amateur efforts to carry on this case without a lawyer. No lawyer could be found with the courage to risk his entire career by fighting the B'Nai B'Rith and the monstrous Jewish machine it controls. Regardless of legal technicalities and language, that is the simple truth. And Plaintiff most fervently but humbly begs the Court, as a fellow American, to resist the pressures of the Defendant to keep the facts and the evidence in this matter from an open Court Room and a Jury.

Should it no longer be possible in America to try ANY issue in an open, honest Court of Law, regardless of ANY pressure group, then our Country is rapidly approaching dark days of violence and bloodshed. When justice and the truth are too-long suppressed and bottled up by a tyrant, -either an individual or a group, in this case by what the Bible calls "fear of the Jews", their reappearance is always in the form of an explosion. Our Supreme Court has already demonstrated its subservience to tyranny, but the Plaintiff is confident of the steadfast honesty of our Virginia Courts, and fervently prays that the disease indicated by the fearfulness of the lawyers to stand up to a Jewish organization has not penetrated to the Courts.

Plaintiff asks no favors or special consideration because of the necessity to maintain his legal position without a lawyer and with no legal experience, but earnestly prays the Honorable Court to grant him a jury trial of the simple question of "Did Defendant lie when it published the statement that Plaintiff has printed and distributed scurrilous hatesheets and papers?", -and moves the court to deny Defendant's Demurrer.

In addition to Omar Sharaf, the Consul of the United Arab Republic in New York, [REDACTED] was also reported to have been in attendance.

The report we received also says that no detailed report is yet available on the nature of the discussion, beyond the fact that they discussed "common problems."

Re: WORLD UNION OF FREE ENTERPRISE

[redacted]
Arlington County Police Department, Arlington, Virginia, on
March 19, 1959 advised that he had been in the vicinity of the
residence of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg
Boulevard, Arlington, Virginia, at about 4:40 P.M., on
March 19, 1959, and he observed four individuals at the
residence wearing khaki uniforms with a red arm band which
had a swastika superimposed thereon and a red scarf around
their necks. [redacted] identified these individuals as
GEORGE LINCOLN ROCKWELL, LOUIS B. VALACKI, and J. V. KENNETH
MORGAN. He advised the fourth individual was driving a 1953
Hudson, District of Columbia plates [redacted] These were
identified as registered to [redacted]
[redacted] Washington, D.C.

Regarding GEORGE LINCOLN ROCKWELL, the Northern
Virginia Sun, Arlington, Virginia, during October, 1958,
carried several stories identifying ROCKWELL as the source
of anti-Jewish literature and activity.

On March 20, 1959 [redacted] advised that he had
been informed on the night of March 20, 1959 teen age youths
were to have a "rumble" at ROCKWELL's residence. Therefore,
he was stationing men at the residence to avoid any serious
incident inasmuch as ROCKWELL and his group were reported to
be armed.

A Special Agent of the Federal Bureau of Investigation
observed the following activity at the residence of GEORGE
LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington,
Virginia, on the evening of March 20, 1959:

THIS IS LOANED TO YOU BY THE FBI, AND

At 6:54 P.M. it was observed that an automobile registered to ROCKWELL was parked directly in front of his residence and a 1953 gray Hudson, bearing District of Columbia license [redacted] was parked in front of ROCKWELL's car. Also observed in the yard was a 1956 Pontiac, bearing 1958 Virginia license [redacted] determined to be registered to J. V. KENNETH MORGAN. Also parked in the yard was a 1956 Buick, bearing 1958 Virginia license [redacted] determined to be registered to LOUIS B. YALACKI.

At this time it was observed that the flag of the United States was flying from a mast in front of the residence of ROCKWELL. Near the flag was standing a man dressed in a khaki shirt and trousers, wearing a red scarf around his neck and a red arm band on which was superimposed a swastika. He was observed to be wearing what appeared to be an automatic pistol in a holster attached to a webbed belt. The holster was brown in color and had a flap which secured the gun in the holster. This person was later identified by [redacted] as LOUIS B. YALACKI.

Also observed at this time was an individual who was taking items from the Pontiac sedan. These items appeared to be two rifles, one possibly a .22 calibre rifle bolt action and the other a Carbine, possibly a .30 calibre rifle.

It was observed that the door of the ROCKWELL residence was open; however, a glass storm door was closed. There was observed on the south wall of what appeared to be the living room of the residence, a large 'NAZI' flag hung on the wall. The flag was red in color and in its center in black and white was a swastika. Superimposed on the swastika was a photograph of ADOLPH HITLER. Immediately underneath the flag on a small table were three lighted candles.

During the course of the evening it was observed that a large number of people passed ROCKWELL's residence, and it was observed that they were mostly persons of high school age. It was also observed that the Arlington County Police Department had several officers stationed near the residence to keep the crowds moving. On the scene were observed [redacted]

[redacted] the Arlington County Police Department. It was observed between 6:54 P.M. and 9:30 P.M. that numerous individuals went to the front door of the residence of ROCKWELL and literature was passed out by ROCKWELL, YALACKI and a person later identified as J. V. KENNETH MORGAN.

At approximately 9:30 P.M. it was observed that the teen age youths began to picket ROCKWELL's residence with signs stating "Go home Nazi" and "ROCKWELL go home". Taunts and jeers were heard directed to ROCKWELL.

Shortly after 9:30 P.M. ROCKWELL, YALACKI and MORGAN were observed at the east side of the residence. At that time the individual identified as MORGAN was carrying a rifle and a member of the Arlington County Police Department spoke to ROCKWELL, and they left and went inside the residence. At about 9:45 P.M. after more picketing and jeers, ROCKWELL stepped out of the front door of the residence. At this time ROCKWELL had his arms folded over his chest and in his right hand he was holding a pistol, believed to be a .25 calibre. It was also observed that a member of the Arlington Police Department spoke to ROCKWELL, and he returned inside the house.

At approximately 10 P.M. it was observed that an unidentified person threw an object through a window of ROCKWELL's residence. Immediately following this incident, the Arlington County Police Department disbursed the crowd and advised them to go home. It was observed that the crowd disbursed from the scene and by 10:30 P.M. almost all were observed to have gone.

Shortly after 10:30 P.M. an unidentified person walked up to the residence of ROCKWELL and gained admission. About 11 P.M. it was observed that another unidentified person gained admission to ROCKWELL's residence.

During the evening of March 20, 1959 ROCKWELL and the person identified as MORGAN were observed to be dressed in the same manner as YALACKI with the exception ROCKWELL and MORGAN were not wearing the side arm in a holster.

[redacted] the Arlington County Police Department on March 20, 1959 advised that at about 9:30 P.M. when the mood of the crowd which had gathered around ROCKWELL's residence began to get unruly, he and other members of his department went into ROCKWELL's residence and requested him to cease handing out literature and in general "to shut down operations" in order to maintain peace and order in the neighborhood. [redacted] declared that ROCKWELL stated

b7C

he had no fear of the teen age youths as they were armed with guns loaded with wax and would defend themselves; however, he was concerned with the possibility of an attack by hired thugs. [] stated that ROCKWELL declared that he would shut down his operations if the Arlington County Police Department would station two men at his residence on a twenty four hour basis for the week-end and guarantee his safety.

[] continued that he had conferred with the Commonwealth Attorney and County Manager, Arlington County, Virginia, and they came to the conclusion that the Arlington County Police Department would not guarantee ROCKWELL's safety, that they did not desire to furnish protection to ROCKWELL to continue to operate and that they would furnish no more protection to ROCKWELL than they would to any other citizen of Arlington County. [] advised that the reason his department had stationed men near COLE's residence was to keep traffic moving, pointing out that the condition created a traffic hazard and that several accidents had already occurred due to the congestion in the area.

DETAILS:

BACKGROUND

[redacted] D. M. Shy, Inc., Memphis, Tennessee, on November 5, 1958, advised SA [redacted] that she recalls GEORGE LINCOLN ROCKWELL. She pointed out that originally in the Summer of 1956, ROCKWELL had worked for a short period of time as a public relations man for "Campaign for 48 States" headed by a prominent Memphis and East Arkansas real estate operator and landowner, ROBERT G. SNOWDEN, a very reputable individual, and that SNOWDEN, then a personal friend of [redacted] had referred ROCKWELL to the Shy Company to purchase two window type air conditioning units.

Records of D. M. Shy, Inc., as furnished by [redacted] showed that on July 20, 1956, one Commander G. L. ROCKWELL, then residing at Cole's Trailer Court, West Memphis, Arkansas, bought two window type air conditioning units, both being three-quarter ton type. He bought them on a twenty-four month conditional sales contract, which was financed through the National Bank of Commerce, Memphis.

[redacted] recalled at the time ROCKWELL was a "weekend warrior," being a pilot in the U. S. Naval Reserve, and that she felt that his reserve unit was centered at the U. S. Naval Air Station, Millington, Tennessee, a small community some twelve to eighteen miles north of Memphis, Tennessee. She recalled that ROCKWELL did not remain in Memphis more than two or three months, having been fired by ROBERT SNOWDEN

RH 100-9667

for reasons unknown to her, and that ROCKWELL filed a damage claim with regard to damage incurred to his air conditioners on September 19, 1956. He later fell in arrears on his payments and as of September 28, 1958, the D. M. Shy Company had to pay an unpaid balance on ROCKWELL's account of \$40.98 to the National Bank of Commerce.

In an effort to locate ROCKWELL to attempt to collect this \$40.98, [] wrote various letters, including a letter to the U. S. Naval Reserve Training Unit, U. S. Naval Air Station, Anacostia, District of Columbia. She exhibited a letter dated October 1, 1958, received by her office from the Naval Air Reserve Training Unit, U. S. Naval Air Station, Anacostia, D. C., stating that Commander LINCOLN G. ROCKWELL was terminated from a Reserve Unit at Anacostia at the N. A. U. on June 30, 1957; that his records were transferred to the Commandant, Fifth Naval District, Norfolk, Virginia; that his last known residence address was Lot 179, Metropolitan Trailer Park, Moonache, N. J. This letter was signed R. D. HARLAN, Lt. Commander, U. S. Naval Reserve, Anacostia, D. C.

[] stated that later, through [] of the Finance Department, National Bank of Commerce, she learned that ROCKWELL was residing at 6512 Williamsburg Blvd., Arlington, Virginia, and had telephone # JE 2-6677. She added that in late October, 1958, in an endeavor to collect the \$40.98 from ROCKWELL, she put through a collect person to person telephone call to ROCKWELL and much to her surprise he accepted the call. She stated he readily agreed to make payment on the \$40.98 balance and has since that time sent her \$20.00 in payment thereon. She stated she has had no further contact with ROCKWELL, knows nothing concerning his background and knows nothing concerning his activities or contacts or associates while he was in the Memphis area for approximately three months during 1956.

On November 5, 1958, ROBERT B. SNOWDEN, Memphis, Tennessee businessman and Arkansas planter, who identified himself as finance chairman of the Americans for Constitutional

RH 100-9667

Action, with offices at Room 516, Cotton Exchange Building, Memphis, was interviewed by SA [redacted] concerning b7C
ROCKWELL. He stated that the Memphis affiliate of the Americans for Constitutional Action is known as the "Campaign for 48 States." He stated that the objectives of this non-partisan master organization are to "awaken Americans everywhere to the dangers that are facing us at home as well as abroad," and he described the dangers as an apathetic, public and run away spending which the American for Constitutional Action feels is pushing this country down to road to Socialism. Mr. SNOWDEN pointed out that during the past year the Campaign for 48 States has concentrated its efforts on trying to limit Federal spending and taxation. He stated that it has also sought to make possible amendments to the Constitution of the United States by any thirty-six states of the Union without the intervention of Congress. He stated the committee was the largest lobby in Washington, D. C. in 1957, spending a total of \$138,000. He stated that the organization was made up of conservative Americans, most of whom were prominent businessmen and professional men and pointed out that on the following day he would make a public pronouncement, announcing that Admiral H. M. MARTIN, U. S. Navy, Retired, would be appointed as Executive Director of the Campaign for 48 States. Mr. SNOWDEN readily recalled GEORGE LINCOLN ROCKWELL, stating that he had personally employed ROCKWELL with the Campaign for 48 States from July 1, 1956 until September 30, 1956 as an artist, sign painter, writer and had fired ROCKWELL when he became convinced that ROCKWELL was insubordinate and a fanatic, lacking any semblance of common sense.

SNOWDEN recalled that ROCKWELL was a well educated man and had married the daughter of one of the former Finnish Ambassadors to the United States or to Iceland; he was not certain of the country, and recalled that ROCKWELL claimed to have met her while he was stationed in Iceland while in the U. S. Navy several years ago.

SNOWDEN stated he was originally introduced to ROCKWELL by [redacted] b7C
[redacted] Washington, D. C. SNOWDEN believed that [redacted]

RH 100-9667

had originally met ROCKWELL through RICHARD AHRENS, former Committee Council for the Internal Security Subcommittee, Committee of the Judiciary, U. S. Senate, and currently to SNOWDEN's recollection, Counsel for the House Committee for Un-American Activities, U. S. House of Representatives.

SNOWDEN recalled that while ROCKWELL was in Memphis, he lived in a trailer in a remote area of West Memphis, Arkansas, and was active in the U. S. Naval Reserve and at one time, while in his employ, went on a two weeks training cruise as a Naval Reserveman. SNOWDEN recalled that ROCKWELL had formerly published a military paper called the "U. S. Lady," a fashion paper aimed at wives of high ranking military officers and recalled that this magazine had been supported by the wife of General NATHAN TWINING. ROCKWELL told SNOWDEN that he later sold a half interest in this magazine for \$90,000.00 following a lawsuit, place and circumstances not recalled by SNOWDEN. SNOWDEN recalled that when ROCKWELL left Memphis, he claimed that he was going to work for one BILL STEPHENSON of Norfolk, Virginia, the publisher of a pro-segregation publication called "The Virginians."

SNOWDEN stated that he could not specifically recall the actions of ROCKWELL, which caused him to believe ROCKWELL was a fanatic, other than the fact that ROCKWELL seemed to be demented in that he suspected everyone who did not wholeheartedly agree with him of being pro-Communist. SNOWDEN further recalled that ROCKWELL was unduly suspicious of persons who SNOWDEN knew to be eminently loyal U. S. citizens. He further pointed out that ROCKWELL, while an unusually accomplished artist and idea man, was quite insubordinate, would not carry out instructions and proceeded to antagonize many of the well meaning substantial businessmen supporters of SNOWDEN and his organization. He stated that he refused to tolerate such insubordination and forthwith fired ROCKWELL in early September, 1956, although he did pay ROCKWELL through September 30, 1956.

SNOWDEN stated he has not seen ROCKWELL since September of 1956, could not recall any of ROCKWELL's associates while he was in Memphis, Tennessee, and he could recall nothing else concerning him. He stated that

RH 100-9667

had never known of any connection between ROCKWELL and any anti-Semitic hate groups in the United States, including Atlanta, Georgia.

Mr. SNOWDEN did exhibit some stationery of the American Federation of Conservative Organizations described as publishers of the "Conservative Times," return address, 1016 Arlington Building, Washington 5, D. C., which contained an autobiography of GEORGE LINCOLN ROCKWELL, as furnished by ROCKWELL to SNOWDEN at the time ROCKWELL was hired by SNOWDEN. RACIAL MATTERS

On the morning of November 16, 1958, a pamphlet, entitled, "Who's A Hate-Monger?" was found in the front door of the apartment of SA Arlington, Virginia. This pamphlet was distributed by a party or parties unknown between the hours of 12:01 a.m., November 16, 1958 and 9:45 a.m., November 16, 1958.

The pamphlet indicates that this is the statement by LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington 13, Virginia. The pamphlet further states that ROCKWELL is the National Commander of the World Union of Free Enterprise National Socialists, located at the same address.

The pamphlet reads in part as follows:

"We learn that Russian Jews control ALL our television networks, our movies, most of our giant newspapers, our theater, our concert stage, and the monster department stores in cities all over the country which support ALL newspapers with their huge advertising budgets.

"We discover with increasing concern that Jewish papers and leaders boast that it was largely through Jewish efforts that the Supreme Court was induced to render its integration decision, and that it is the American Jewish Committee and the Anti-Defamation League of B'nai Brith which push so everlastingly hard for race mixing in our stricken U. S. South.

"When we go to the JEWISH books and papers, we discover that, among themselves, the Jews make no bones about their program of hatred and suppression of US. They advise Jews, for instance, to work to get rid of our ancient and precious Christmas traditions

APR/nlh

"in our public life, and counsel their 'Brotherhood' workers to get in their efforts in JULY, not at Christmas time, so that we won't notice their activity. Imagine what any normal person would think of a Christian who went to Israel, was welcomed, and then began a careful, planned activity in SECRET to eliminate Yom Kippur from Israeli life!

"In short, when we examine the ACTIVITIES of most Jews, we discover that their CREED appears to be hate and suppression of US, and manipulations to gain our power, our money, and our very inheritance of Nordic blood!

"If the facts prove this is true, no matter what the Jews or their apologists SAY, we are not only justified in being anti-Jewish; ~ but it is our sacred duty, if we are to survive."

Included with this pamphlet, "Who's A Hate-Monger", was a one page item labeled "Demonstration", which reads in part as follows:

"We could fill a shelf with documents proving that most of the Jews are fanatically engaged in a secret conspiracy whose very strength lies in its incredibility. It is simply TOO fantastic to believe there is such a conspiracy, but it is TRUE.

"We know, however, from bitter experience, that mountains of FACTS are useless to us, because human nature simply will NOT see such unpleasant reality as long as illusion is so pleasant and apparently safe. He who is blind because he will not open his eyes, cannot be made to see by turning on more light.

"But we believe that the mounting chaos and tragedy in our world and our Nation is caused directly

"by the manipulations of this group of Jews, and by their suppression of all facts on the matter as "Anti-Semitism" and "hate-mongering". We believe that the growing violence in the U. S. South is directly provoked by this JEWISH activity, and that we MUST make our fellow citizens realize that we are all headed for catastrophe unless we get OPEN DISCUSSION and UNDERSTANDING, instead of name-calling, suppression of facts, and terrorism of patriots.

"Since we cannot hope to get our ideas and facts before the millions with our little Multilith, in competition with the giant presses and transmitters of men like Eugene Meyers, we have decided to give you a DEMONSTRATION of the power of Jewry so you can SEE THE CONSPIRACY IN ACTION."

This item continues and indicates it is quoting from the Foreign Agents Act of 1938 as Amended, with regard to who is required to register. The item then states, "The head of the Registration Section, which administers the law for the Justice Department, is a man named Nathan Lenvin, and he was courteous and helpful in assuring me that if I engaged in any publicity work or fund raising for the ARABS, in any manner whatsoever, without registering, I would be sent, as an unregistered Agent, to prison, as others have been".

The item continues and indicates that a dinner was being held at the Arlington-Fairfax Jewish Center and that a bond drive for the sale of \$105,000.00 in Israel bonds would be made. The purpose of the bond drive was to obtain funds to construct a village in Israel. The item further indicates that ROBERT BRISCOE, the Jewish ex-mayor of Dublin, would appear at this dinner and that IRVING BERMAN was the Chairman of the bond-raising committee. This item further indicates that neither BRISCOE nor BERMAN were registered as Foreign Agents under the Registration Act of 1938.

[redacted] Arlington County Police Department, Arlington, Virginia, on November 10, 1958, advised that [redacted] Arlington, Virginia, had informed him that about 9:30 a.m. on November 9, 1950, a white, male, delivered two pamphlets to her residence, one of which was entitled "Who's A Hate-Monger?", and the other is entitled "How to Stop World War III". [redacted] stated that these two items were furnished him and same were give to SA [redacted]

The pamphlet "How to Stop World War III", indicates it is put out by the National Committee to Free America From Jewish Domination. This pamphlet in part, reads as follows:

"JEWISH CRIMES

"Jews created Communism for the conquest and exploitation of the non-Jewish world. This Jewish plot is the primary cause of the crushing taxation we must bear and may yet be the source of our ultimate destruction in the fearful holocaust of a Jewish H-Bomb war!

"12 out of the 13 spies convicted of espionage for the Soviet Union have been JEWS!

"ALL the top leaders of Communism, in spite of all name-changing to mislead you, have been, and are now, JEWS!

"ZIONISM IS TREASON!

"The Jews openly boast, in their own papers and journals, that their true loyalty is to World Jewry, and NOT to the host nations which put up with them.

"Rabbi Stephen S. Wise, hailed for decades as the acknowledged spokesman of Jews in the United States, said"

'I AM NOT AN AMERICAN CITIZEN OF THE JEWISH FAITH. I AM A JEW.'

"(The New York Times, June 13, 1938)

RH 100-9667

"The Jews have been disloyal and have lied to and ruined every country that has tolerated them.

"The Jews are the driving force behind the unceasing agitation which is the cause of our racial strife. The President of the NAACP, for instance, is NOT a Negro, as you are led to assume, but a repulsive little Jew named Spingarn!

"The Jews are always the driving force behind every disruptive movement to bastardize and mongrelize our White America under the guise of a phoney, revolting 'Brotherhood.'

"JOIN US TOMORROW IN MASS DEMONSTRATIONS
IN CITIES ALL OVER AMERICA

"In Washington, D. C., there will be THREE demonstrations; one at the White House, one at the Embassy of Jew-Occupied Palestine, at 1621 - 22nd Street, N. W., and another at the Embassy of Jew-Occupied Russia, at 1125 - 16th Street, N. W., when bus loads of American patriots, Hungarian Freedom Fighters, and hundreds of other people whose countries have been raped by the International Zionist-Communist Jews will join forces to rally support for our terrorized government officials, so that they can defy the Jewish tormentors of the world, and bring, at last a real and final solution to the world's foremost problem -

[redacted] since Friday night March 13, 1959, ROCKWELL has placed a large "Nazi" flag, upon which is a swastika, on the south wall of his living room; placed a lighted candle before it, and flooded same with a floodlight. SUBJECT: WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS;
GEORGE LINCOLN ROCKWELL
RACIAL MATTERS

The following activity at the residence of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, was observed on the evening of March 20, 1959:

At 6:54 p.m., it was observed that an automobile registered to ROCKWELL was parked directly in front of his residence and a 1953 grey Hudson, bearing District of Columbia license [REDACTED] was parked in front of ROCKWELL's car. Also observed in the yard was a 1956 Pontiac, bearing 1958 Virginia license [REDACTED] determined to be registered to J. V. KENNETH MORGAN. Also parked in the yard was a 1956 Buick, bearing 1958 Virginia license [REDACTED] determined to be registered to LOUIS B. YALACKI.

At this time it was observed that the flag of the United States was flying from a mast in front of the residence of ROCKWELL. Near the flag was standing a man dressed in a khaki shirt and trousers, wearing a red scarf around his neck and a red arm band, on which was superimposed a swastika. He was observed to be wearing what appeared to be an automatic pistol in a holster attached to a webbed belt. The holster was brown in color and had a flap, which secured the gun in the holster. This person was later identified by [REDACTED] as LOUIS B. YALACKI.

Also observed at this time was an individual who was taking items from the Pontiac sedan. These items appeared to be two rifles, one possibly a .22 Caliber rifle bolt action and the other a Carbine, possibly a .30 Caliber rifle.

It was observed that the door of the ROCKWELL residence was open; however, a glass storm door was closed. There was observed on the south wall of what appeared to be the living room of the residence, a large "Nazi" flag hung on the wall. The flag was red in color and in its center in

APR/nlh

RH 100-9667

black and white was a swastika. Superimposed on the swastika was a photograph of ADOLF HITLER. Immediately underneath the flag on a small table were three lighted candles.

During the course of the evening it was observed that a large number of people passed ROCKWELL's residence, and it was observed that they were mostly persons of high school age. It was also observed that the Arlington County Police Department had several officers stationed near the residence to keep the crowds moving. On the scene were observed [redacted]

[redacted] the Arlington County Police Department. It was observed between 6:54 p.m. and 9:30 p.m. that numerous individuals went to the front door of the residence of ROCKWELL and literature was passed out by ROCKWELL, YALACKI and a person later identified [redacted] as J. V. KENNETH MORGAN. b7C

At approximately 9:30 p.m., it was observed that the teenage youths began to picket ROCKWELL's residence with signs stating, "Go home Nazi" and ROCKWELL go home". Taunts and jeers were heard directed to ROCKWELL.

Shortly after 9:30 p.m., ROCKWELL, YALACKI and MORGAN were observed at the east side of the residence. At that time the individual identified as MORGAN was carrying a rifle and a member of the Arlington County Police Department spoke to ROCKWELL and they left and went inside the residence. At about 9:45 p.m., after more picketing and jeers, ROCKWELL stepped out of the front door of the residence. At this time ROCKWELL had his arms folded over his chest and in his right hand was holding a pistol, believed to be a .25 Caliber. It was also observed that a member of the Arlington Police Department spoke to ROCKWELL, and he returned inside the house.

At approximately 10:00 p.m., it was observed that an unidentified person threw an object through a window of ROCKWELL's residence. Immediately following this incident, the Arlington County Police Department dispersed the crowd and advised them to go home. It was observed that the crowd

RH 100-9667

dispersed from the scene and by 10:30 p.m., almost all were observed to have gone.

Shortly after 10:30 p.m., an unidentified person walked up to the residence of ROCKWELL and gained admission. About 11:00 p.m., it was observed that another unidentified person gained admission to ROCKWELL's residence.

During the evening of March 20, 1959, ROCKWELL and the person identified as MORGAN were observed to be dressed in the same manner as YALACKI, with the exception ROCKWELL and MORGAN were not wearing the side arm in a holster.

[redacted] the Arlington County Police Department on March 20, 1959, advised that at about 9:30 p.m., when the mood of the crowd, which had gathered around ROCKWELL's residence, began to get unruly, he and other members of his department went into ROCKWELL's residence and requested him to cease handing out literature and in general "to shut down operations" in order to maintain peace and order in the neighborhood. [redacted] declared that ROCKWELL stated he had no fear of the teenage youths, as they were armed with guns loaded with wax and would defend themselves; however, he was concerned with the possibility of an attack by hired thugs. [redacted] stated that ROCKWELL declared that he would shut down his operations if the Arlington County Police Department would station two men at his residence on a twenty-four hour basis for the weekend and guarantee his safety.

[redacted] continued that he had conferred with the Commonwealth Attorney and County Manager, Arlington County, Virginia, and they came to the conclusion that the Arlington County Police Department would not guarantee ROCKWELL's safety, that they did not desire to furnish protection to ROCKWELL to continue to operate and that they would furnish no more protection to ROCKWELL than they would to any other citizen of Arlington County. [redacted] advised that the reason his department had stationed men near ROCKWELL's residence was to keep traffic moving, pointing out that the condition created a traffic hazard and that several accidents had already occurred due to the congestion in the area.

He said that the Nationalist Party or the Nationalist Youth League was an organization which he believed he had heard JAMES MADOLE mention, but concerning which he possessed no information.

[] JAMES MADOLE is a New York City resident, who is the head of the National Renaissance Party. He said that he had attended one meeting of the National Renaissance Party at MADOLE's [] New York City, in the fall of 1958. [] he once heard MADOLE say that he, MADOLE, believed that the solution of the "Jewish problem" would be the "sterilization of all Jews." [] that he does not agree with MADOLE, but rather believes that if there is a "Jewish problem" the solution is to have the Jewish population absorbed by the "Gentile population." [] he does not consider himself to be an anti-Semite and said that he has great admiration for the abilities and talents of the Jewish people. [] he considers MADOLE to be a "nut", with whom he wants no further contact.

He said that ARROWSMITH then advised that anyone who did not participate would not be paid. [redacted] he was then unemployed and badly in need of money. He said that for this reason he agreed to participate in the demonstration, although it was distasteful to him.

[redacted] the picketing lasted only one and one-half hours and that this was his only activity while in Washington, D. C. HAROLD NOEL ARROWSMITH, JR., [redacted]
 Baltimore, Maryland, was interviewed by SAs [redacted]
 [redacted] at the Alexandria Resident
 Agency, Alexandria, Virginia, on October 16, 1958. ARROWSMITH
 advised as follows:

Mr. ARROWSMITH stated that he desired to talk to the FBI because of an article which had appeared in the "Northern Virginia Sun" Newspaper on October 10, 1958. This newspaper article reflected the results of an interview with G. LINCOLN ROCKWELL of Arlington, Virginia. During the interview, ROCKWELL identified ARROWSMITH as the "fat cat" referred to in a letter ROCKWELL had written to WALLACE ALLEN of Atlanta, Georgia.

ARROWSMITH stated that he is a person of "considerable means" who has for two years engaged in private research work dealing with the "Jewish" influences on American life. He conducts this research at the Library of Congress, National Archives and Department of State in Washington, D. C., and at various government agencies abroad, such as the British Foreign Office in England. During this research, ARROWSMITH has obtained copies of various documents allegedly showing that Zionism is nothing more than "subversion" and "treason." ✓

ARROWSMITH stated that he has had many of these documents reproduced and sent to various government officials including members of Congress. He claims to be a close associate of RICHARD ARENS, Staff Director of the House Committee on Un-American Activities and that he has frequently turned over reports on his research to Mr. ARENS. ✓

Since starting his research, ARROWSMITH has encountered considerable difficulty in securing the

HER/pal

RH 100-9357

services of commercial printers to reproduce his documents and therefore, desired to obtain the services of a person who could do his work at any time desired.

ARROWSMITH claims to have met ROCKWELL during April of 1958, at Newport News, Virginia. This meeting took place at the offices of "The Virginian" a monthly journal published by LACEY JEFFRIES and edited by WILLIAM STEPHENSON. ROCKWELL was associated with this publication at the time. ARROWSMITH stated that he has contributed financially to "The Virginian" by ordering subscriptions to the publication for all Congressmen as well as other government officials and people in high civilian positions.

Shortly after meeting ROCKWELL, ARROWSMITH determined that ROCKWELL had some very good Anti-Jewish ideas and was a gifted political cartoonist as well as a commercial printer.

✓ ARROWSMITH made arrangements to purchase approximately \$6,000.00 worth of printing equipment which he turned over to ROCKWELL. ROCKWELL was living at Newport News, Virginia, in a trailer at the time. During May of 1958, ARROWSMITH and ROCKWELL were discussing their project in a room at the Warwick Hotel in Newport News. ROCKWELL wanted to get the printing press set up and telephoned [redacted] Arlington, Virginia, and asked if he could set up the equipment [redacted] and this was done, and thereafter ROCKWELL operated [redacted] a few weeks during the last part of May and the first part of June, 1958. ROCKWELL also stayed at [redacted] during a part of this time before moving his trailer from Newport News to the Washington, D. C. area.

ARROWSMITH described [redacted]
[redacted]

[REDACTED] ARROWSMITH decided to buy a home where ROCKWELL could live and also operate the printing business. During June, 1958, ARROWSMITH purchased the home where ROCKWELL now lives at 3512 Williamsburg Boulevard, Arlington, Virginia. ARROWSMITH [REDACTED]

Richmond, Virginia.

ARROWSMITH and ROCKWELL agreed that ROCKWELL would make the monthly payments of approximately \$53.50, which were due on the home in the name of ARROWSMITH. ROCKWELL was allowed to operate as a private printer and was to do all of the reproduction and printing work requested by ARROWSMITH at rates to be mutually agreed upon at the time the project was ordered.

ARROWSMITH stated that he soon learned that ROCKWELL was charging him just as much as he had previously paid other commercial printers who owned their own equipment and place of business. He stated that the prices charged by ROCKWELL and certain differences of opinion eventually were the main causes of a break in the friendly relationship existing between them. ARROWSMITH stated that this break in their relationship occurred during August, 1958, and that he has now filed a lawsuit in the Arlington County, Virginia, Courts in an effort to regain possession of his equipment and house.

ARROWSMITH stated that after the Lebanon crisis came up, he became disturbed and wanted to put out a three or four-page bulletin to all members of Congress giving his ideas on that situation. He talked the matter over with ROCKWELL, who thought it would be a better idea to organize something which would reach the general public rather than merely high officials,

RH 100-9667

and stated that he, ROCKWELL, wanted to create a circumstance which would have to be carried by the press. The idea of this was to obtain free advertising for their cause.

As a result of ROCKWELL's persuasion, ARROWSMITH agreed to finance Anti-Jewish demonstrations in Washington, D. C.; Atlanta, Georgia; and Louisville, Kentucky, during the weekend of July 26-27, 1958. ROCKWELL did all of the organizational work connected with these demonstrations and prepared the material used. ARROWSMITH paid ROCKWELL \$150.00 to do this as ROCKWELL stated he needed about one week to prepare for the demonstrations. The \$150.00 were his wages for that week's work.

ROCKWELL arranged to have a group of men from New York City, New York, come to the Washington, D. C., area for the purpose of participating in picketing which took place at the White House and to help distribute leaflets which he had prepared. ARROWSMITH gave ROCKWELL \$1,000.00 to pay for these arrangements.

ROCKWELL also organized the demonstrations in Atlanta, Georgia, and Louisville, Kentucky, through WALLACE ALLEN and ED FIELDS respectively. A document entitled "How to Stop World War III" which, supposedly prepared by the National Committee to Free America from Jewish Domination, was distributed at the demonstrations in the cities mentioned above.

ARROWSMITH stated that the Anti-Jewish material contained in this document was compiled primarily by ROCKWELL, however, he did furnish some of the material for the document. ARROWSMITH stated that he considered the document to contain a great amount of fact and that it was worthy of everyone's attention.

As a result of the Anti-Jewish demonstrations in Atlanta, Georgia, WALLACE ALLEN and four other unidentified men were arrested by the Atlanta Police Department. ALLEN and his friends are attempting to

fight this case and ARROWSMITH in connection with the appeal of this case, met ALLEN through ROCKWELL at the Congress Hotel in Washington, D. C. This meeting took place during the middle of the Summer, 1958, after ALLEN had been released from custody by the authorities in Atlanta, Georgia. ARROWSMITH at this meeting agreed to furnish money for the defense of ALLEN and the others arrested with him and has actually contributed \$500.00 for this cause to date.

ARROWSMITH stated he does not know the names of the other individuals who participated in the Atlanta demonstration during July. ARROWSMITH volunteered that he is very Anti-Jewish and repeated on numerous occasions that his major interest at the present time is to reveal to the World his belief that World War I was a result of an International Jewish Conspiracy.

ARROWSMITH stated that even though he is very Anti-Jewish, he is opposed to acts of violence or any other illegal activities in furtherance of his beliefs. He denied having any knowledge of or participation in the bombing of the Atlanta Temple or other church and social buildings. He stated that he does not believe that ROCKWELL or WALLACE ALLEN had anything to do with these bombings or any knowledge concerning them.

✓ARROWSMITH stated that some of his material has been published by the American Mercury Magazine. He stated that his material was published during 1957 and 1958. He did not identify the material published by the American Mercury Magazine and did not indicate in any way that he has any financial interest in this magazine.

ARROWSMITH insisted that he was doing his country a service in publishing the "true facts" about Jews" and would be happy to make any or all of his material available to the FBI at any time.

COURT PROCEEDINGS

On November 26, 1958 Deputy Sheriff T. W. FREDERICK advised he had served a notice to vacate the home of GEORGE LINCOLN ROCKWELL, 5612 Williamsburg Boulevard, Arlington, Virginia. The notice indicated ROCKWELL was to vacate the premises by November 30, 1958. ✓

VENMAN T. RUCKER, Attorney, Room 602, Arlington Trust Building, Courthouse Square, Arlington, Virginia, on November 26, 1958 advised he is the attorney for HAROLD N. ARROWSMITH and that he had been retained by ARROWSMITH to evict GEORGE LINCOLN ROCKWELL from the residence at 5612 Williamsburg Boulevard, Arlington, Virginia. ✓

RUCKER informed that the Sheriff of Arlington County had served the notice on ROCKWELL to vacate the premises by November 30, 1958; however he was positive that ROCKWELL would not do so because ROCKWELL had indicated he would file eviction therefore it would be necessary to have a trial on the matter and thus it would be sometime in February before the final action could be taken.

RUCKER stated that the notice to vacate is not to be confused with an eviction as the notice to vacate is only an intent of the owner to have the tenant put on notice that he is requesting return of his premises.

On December 9, 1958 RUCKER advised that he has prepared and is going to file a suit in Arlington County Court on December 9, 1958 regarding the eviction of ROCKWELL from the premises of 5612 Williamsburg Boulevard and that ROCKWELL will have twenty-one days to file and answer the complaint.

On January 26, 1959 RUCKER advised that the trial has been set for February 10, 1959; however, he is attempting to arrive at the settlement wherein ROCKWELL will stay in the residence at 5612 Arlington Boulevard until June, 1959 at which time ROCKWELL will leave voluntarily.

RH 100-9667

Records of the Clerk of Court, Arlington County, Arlington, Virginia, were checked on January 28, 1959. They reflect that Civil Action Number 12094 was filed by H. N. ARROWSMITH, JR., Plaintiff, against GEORGE LINCOLN ROCKWELL, Defendant, and process was served on ROCKWELL on September 23, 1958. A motion was made before Judge PAUL D. BROWN and the case was transferred to Circuit Court of Arlington County.

The action filed on September 23, 1959 was to recover the premises at 6512 Williamsburg Boulevard, Arlington, Virginia, and the following equipment:

1. Multilith 1250 Offset Press with dust cover \$500.00
2. Robertson "Twinkle" Darkroom Camera with lens \$600.00
3. Pitney Bowes Paper Folder with stand \$300.00
4. Pro-Type Machine \$300.00
5. 19 1/2 Inch Paper Cutter with stand and 2 blades \$50.00
6. 15" Photo Trimming Board \$5.00
7. Multilith Plate Maker with Sunlamp \$25.00
8. Steel Shelving Unit \$5.00
9. 11" by 14" Wooden Printing Frame \$2.50
10. Miscellaneous \$45.00

On November 21, 1958, Judge EMERY T. HOSNER ordered defendant to file in writing before pre-trial a statement of agreement by which he claims to rightfully hold possession of the property claimed by plaintiff.

A pre-trial statement was filed by ROCKWELL on January 9, 1959. The statement in part states as follows:

"On a Sunday morning in May, 1958, Plaintiff to whom defendant had been introduced briefly appeared at Defendants place of residence in Newport News, Virginia, accompanied by William Anderson of Chicago, Illinois, and stated he was the owner of certain items of printing and photographic equipment, then in the possession of William Stephenson, 310 S. 3rd St., Newport News, Virginia;

"that he was disgusted with Stepehnsons lack of use of this equipment and the general lack of vigor in combatting 'Jewish Zionism, Communism, and integration';

"that he had heard of defendants reputation, abilities, and experience in the fields of advertising, art, publishing, and promotion, and his strong feelings against Communism, integration, and Zionism;

"that he was determined to re-posses his equipment from Stephenson and either use it to establish the strongest possible anti-Jewish Center immediately, or store it;

"that he desired the Defendant to take the equipment and immediately set up an organization to be called, National Committee to Free America from Jewish Domination and do everything possible to oppose and eliminate all disruptive and treasonable Jewish influences in the United States.

"Defendant proposed that all parties should confer on the matter with William Stephenson, since Defendant at the time was engaged in setting up a cooperative publishing operation with Stephenson and the proposed action would amount to treachery. Plaintiff was most urgent in his pleas that Stephenson not be informed in any manner.

"Defendant approached Stephenson and warned him.

"Plaintiff and Defendant in car at Warwick, Virginia, beach came to general understanding that Defendant would have possession and use of the equipment at some place in Arlington, Virginia,

RH 100-9667

"to earn his living and to set up the Anti-Jewish Center requested by Plaintiff.

"Plaintiff insisted on immediate action and plaintiff called a friend in Arlington, not aware of the nature of the Center, and agreed to permit storage of the equipment until location could be found.

"Plaintiff proceeded to reposses his equipment.

"On June 9, 1958, Plaintiff called Defendant and demanded he organize a political demonstration to oppose speech by Soviet Ambassador Menshikov before the Baltimore Bar Association and print propaganda fliers, and this was done.

Plaintiff met William H. Evans Jr, of Annapolis, Md. through Defendant, was impressed with his abilities and ideas and endeavored to secure his services with National Committee to Free America from Jewish Domination. Plaintiff advised Evans of conditions of agreement between Plaintiff and Defendant.

"Defendant thru real estate agent Thomas G. Magruder located 6512 Williamsburg Blvd.

"Plaintiff was to hold title, defendant to make payments, and eventually own the property and the equipment.

"Defendant was to pay \$40.00 per month to Plaintiff in amortization of Plaintiffs capital advances and equipment.

"Defendant was to print and circulate Anti-Jewish material and to promote the National Committee to Free America from Jewish Domination.

RH 100-9067

"Arrangement might change but in no case in less than one year.

"Agreement was to be reduced to writing and defendant called his attorney, Willard Nalls, 4541 Montgomery Ave., Bethesda, Md., and informed him of the conditions."

Trial in this case was set for February 10, 1959, per DENMAN T. RUCKER, attorney for plaintiff.

On February 11, 1959, DENMAN T. RUCKER, Attorney, Arlington Trust Building, Arlington, Virginia, advised that this case was settled out of court on the basis that ROCKWELL would be allowed to stay in the residence until June 21, 1959, at which time he would move out and turn over the equipment to ARROWSMITH. [redacted] on March 27, 1959 advised that action with regard to the proposed Grand Jury hearing may be delayed inasmuch as ROCKWELL has instituted suit against WILLIAM HASSAN, Commonwealth Attorney, Arlington County, due to a radio address made by HASSAN wherein HASSAN made comments regarding a hate agitation group located in Arlington County. He informed that HASSAN is reviewing all evidence obtained by the Arlington County Police to determine if sufficient evidence is available for presentation to the Grand Jury and also for use in defense of the suit instituted by ROCKWELL.

The Northern Virginia Sun, an Arlington, Virginia Newspaper, in an edition of March 20, 1959 carried an article by DEAN BRUNDAGE entitled "Local Students Meet a Challenge" The article in part reads as follows:

RH 100-9667

LINCOLN ROCKWELL, the racist, anti-Jewish founder of the "World Union of Free Enterprise National Socialists" has suddenly become the center of intense interest among high school students in Arlington.

The eerie red glow of the spot lights illuminating the large swastika at headquarters-house, his storm trooper's uniform, the fervor and the quasi-intellectualism of ROCKWELL himself, young brownshirts who guard him, have made him the topic of excited conversation among hundreds of teen-agers.

Alien to most Americans, as the views of the local Fuehrer may be, our democracy is strong enough to abide them. ROCKWELL can become a menace to peace and good order only if others pay him heed and are moved to act either for him or against him.

[redacted] (NA) Detective Division, Alexandria, Virginia, Police Department on March 19, 1959 advised that J. V. KENNETH MORGAN, [redacted] Alexandria, Virginia, did not have a pistol registered with his department. He stated the only way MORGAN could get a permit to carry a concealed weapon was through an order issued through the Corporation Court.

CRIMINAL RECORD

On November 25, 1958 [redacted] Arlington County Police Department, Arlington, Virginia, advised the department had no record of ROCKWELL ever having been arrested in Arlington.

The Richmond Office requested that the records of the Identification Division of the FBI be checked on January 29, 1959 to determine if any arrest data had been recorded regarding ROCKWELL. A letter dated February 3, 1959 from the Identification Division advised that they had no information regarding ROCKWELL.

SUBJECT: GEORGE LINCOLN ROCKWELL
REGISTRATION ACT - UNITED ARAB REPUBLIC
(OO: WFO)

DATE: 5/6/59

ReBulet 2/18/59, advising WFO to consider placing a mail cover on subject's residence, 6512 Williamsburg Boulevard, Arlington, Virginia.

For the information of all recipient offices, the 2/17/59 edition of "The Washington Post and Times Herald" newspaper, Washington, D. C., page B-19, contained an article by DREW PEARSON captioned "Virginia 'Haters' Write to NASSER." This article reflects that just across the Potomac River from the Nation's capitol are the "headquarters of one of the most virulent and vitriolic hate-nests in the USA. It has had contact with those investigated in connection with the bombing of the Atlanta synagogue, draws money from Arab forces, and even sends word of its activities to Col. GAMAL ABDEL NASSER of Egypt. On Feb. 6 a registered letter was mailed to NASSER from GEORGE LINCOLN ROCKWELL, the Arlington hate-monger..." "Simultaneously ROCKWELL's picture appeared on the front page of NASSER's newspaper, 'El Aharan', though in denial of reports that NASSER had anything to do with the American hate-nest."

The "Northern Virginia Sun" newspaper, Arlington, Virginia, during October, 1958, carried several stories describing GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, as the source of considerable anti-Jewish activity and material.

DETAILS: AT WASHINGTON, D.C.

I. PREDICATION

On February 12, 1959, [] advised that DREW PEARSON, syndicated newspaper columnist, Washington, D.C., was seeking information concerning GEORGE LINCOLN ROCKWELL's activity in the anti-Jewish field. [] stated PEARSON seemed extremely anxious to obtain any information which might link ROCKWELL with President GAMAL ABDEL NASSER of the United Arab Republic (UAR). PEARSON reportedly commented he had evidence that ROCKWELL had been sending wires and registered letters to President NASSER. b3 b7D

II. BACKGROUND INFORMATION CONCERNING SUBJECT

A. Personal History and Related Information

On November 5, 1958, ROBERT B. SNOWDEN, Memphis, Tennessee, businessman and Arkansas planter who identified himself as finance chairman of the Americans for Constitutional Action with offices at Room 516, Cotton Exchange Building, Memphis, was interviewed by SA [] concerning ROCKWELL. He stated that the Memphis affiliate of the Americans for Constitutional Action is known as the "Campaign for 48 States." Mr. SNOWDEN readily recalled GEORGE LINCOLN ROCKWELL stating that he had personally employed ROCKWELL with the Campaign for 48 States from July 1, 1956, until September 30, 1956, as an artist, painter, and writer. SNOWDEN stated he had fired ROCKWELL when he had become convinced that ROCKWELL was insubordinate and a fanatic lacking any semblance of common sense. b7D

SNOWDEN recalled that ROCKWELL was a well-educated man and had married the daughter of one of the former Finnish Ambassadors to the United States or to Iceland; he was not certain of the country and recalled that ROCKWELL claimed to have met her while he was stationed in Iceland while in the United States Navy several years ago.

SNOWDEN recalled that while ROCKWELL was in Memphis, he lived in a trailer in a remote area of West Memphis, Arkansas, and was active in the U.S. Naval Reserve and at one time, while in his employ, went on a two weeks' training

~~SECRET~~

~~SECRET~~

WFO 97-1143

cruise as a Naval Reserveman. SNOWDEN recalled that ROCKWELL had formerly published a military paper called the "U.S. Lady," a fashion paper aimed at wives of high ranking military officers and recalled that this magazine had been supported by the wife of General NATHAN TWINING. ROCKWELL told SNOWDEN that he later sold a half interest in this magazine for \$90,000.00 following a lawsuit, place and circumstances not recalled by SNOWDEN. SNOWDEN recalled that when ROCKWELL left Memphis, he claimed that he was going to work for one BILL STEPHENSON of Norfolk, Virginia, the publisher of a pro-segregation publication called "The Virginians."

SNOWDEN stated that he could not specifically recall the actions of ROCKWELL, which caused him to believe ROCKWELL was a fanatic, other than the fact that ROCKWELL seemed to be demented in that he suspected everyone who did not wholeheartedly agree with him of being pro-communist. SNOWDEN further recalled that ROCKWELL was unduly suspicious of persons who SNOWDEN knew to be eminently loyal U.S. citizens. He further pointed out that ROCKWELL, while an unusually accomplished artist and idea man, was quite insubordinate, would not carry out instructions and proceeded to antagonize many of the well-meaning substantial businessmen supporters of SNOWDEN and his organization. He stated that he refused to tolerate such insubordination and forthwith fired ROCKWELL in early September, 1956, although he did pay ROCKWELL through September 30, 1956.

Mr. SNOWDEN did exhibit some stationery of the American Federation of Conservative Organizations described as publishers of the "Conservative Times," return address, 1016 Arlington Building, Washington 5, D.C., which contained an autobiography of GEORGE LINCOLN ROCKWELL, as furnished by ROCKWELL to SNOWDEN at the time ROCKWELL was hired by SNOWDEN. This showed ROCKWELL's full name as GEORGE LINCOLN ROCKWELL, born Bloomington, Illinois, March 9, 1918; showed that he was raised in Maine, Rhode Island, New York, New Jersey and California, specific addresses and dates not listed; that he had attended the Hebron Academy in Maine, dates not listed, and had attended Brown University in 1942, and had also attended Pratt Institute and studied Commercial Art and Illustration, and had also studied at the Naval Photographic School, where he had studied movies. The dates and places of

U-1, at Pearl Harbor; that he was an instructor, producer-director of training films for the Navy at Coronado, California, and was Executive and Commanding Officer of the Fasron 107 in Iceland, and was Commanding Officer of Fasron 661, Anacostia, D.C., as of 1956; that he had prior business experience as follows:

Operated Maine Commercial Art Service for one year, place and time not listed; organized and was first president of the Maine Advertising, first large advertising agency in Maine (now known as Simonds Payson, Incorporated); was art director of Simonds Payson, Incorporated; was in the free lance advertising field in New York and Boston, dates and places not shown; that he had been employed on unknown dates by the Bates Fabrics, New York, New Haven and Hartford, and had been employed by the New York, New Haven and Hartford Railroad and by the Maine Development Commission, and had also set up and operated the Rockwell Publishing Corporation, which had published local radio and vacation guides until he was recalled for the Korean War. He did not list the location of the publishing corporation. He listed that he set up the American Service Publishing Company, Incorporated, and launched the "U.S. Lady" magazine for service wives, ultimately reaching a circulation of 175,000, and he later sold the majority of the stock controlled [redacted] that he set up the American Federation of Conservative Organizations to get Right Wing Americans together and to publish a national newspaper. He did not elaborate in this regard.

With regard to his personal history, ROCKWELL showed his father as Dr. GEORGE ROCKWELL, a former vaudeville and radio comedian, his mother as CLAIRE SCHADE ROCKWELL, and brother, namely, [redacted] Providence, Rhode Island; one sister, [redacted] last name not listed, [redacted] Bayside, Long Island, New York. He showed his religion as Protestant, his politics as far Right Wing and his health as excellent.

He listed his special abilities as being primary fundamentally talent, and secondary abilities as promotion and ingenuity. He also showed ability as a photographer, writer, commercial illustrator, organizer and executive. He claimed that his last salary job, date and place not shown, was with the American Service Publishing Company, Incorporated, at a salary of \$12,000.00 per year.

[redacted]
[redacted] Arlington, Virginia, on November 25, 1958, advised SA [redacted]

ROCKWELL's residence and, therefore, she has become acquainted with the ROCKWELLS. She stated that this acquaintanceship was only due to being neighbors and that they did not have anything in common with the ROCKWELLS.

[redacted] advised that on the morning of November 22, 1958, she observed a moving van in front of the ROCKWELL residence and believed the furniture of the ROCKWELLS had been moved. She informed she believed the ROCKWELLS had separated and that Mrs. ROCKWELL was going back to Iceland.

According to [redacted] this was ROCKWELL's second marriage and that he had four children by his first wife. This marriage was Mrs. ROCKWELL's second marriage, and the oldest boy, age seven, who resided with the ROCKWELLS, was her son by her first marriage. The ROCKWELLS have three children, a boy, age four; a girl, age three; and a baby who is one year old.

[redacted] Falls Church, Virginia, on January 30, 1959, advised SA [redacted] that she had learned from her son that the present address of Mrs. GEORGE LINCOLN ROCKWELL probably was [redacted] Reykjavik, Iceland. This information came to her son's attention while the latter was visiting with one of [redacted] children in [redacted]. During that visit, both boys were discussing stamps and [redacted] youth exhibited an Icelandic stamp, which was affixed to an envelope with the above address listed as the return address of one Mrs. ROCKWELL.

WFO 97-1143

[redacted] advised on May 12, 1958, that GEORGE LINCOLN ROCKWELL arrived in Newport News, Virginia, approximately February 1, 1958, wearing the uniform of a Commander in the U.S. Navy. ROCKWELL went to the home of WILLIAM SCOTT STEPHENSON, [redacted] Newport News, Virginia.

According to [redacted] WILLIAM SCOTT STEPHENSON is editor of "The Virginian," a pro-segregation magazine.

ROCKWELL approached STEPHENSON and showed an interest in pro-segregation activities, and left a number of his writings and artistic works with STEPHENSON for perusal. STEPHENSON permitted ROCKWELL to store some of his papers in his garage and ROCKWELL appeared at STEPHENSON's home almost daily.

ROCKWELL, who draws caricatures and other cartoons, sold a number of caricatures to STEPHENSON who used them in his magazine, "The Virginian."

[redacted] stated that ROCKWELL had quite a bit of literature on Nazism and informant heard ROCKWELL state that he was a Nazi and that the only antidote to the wave of communism at this time was Nazism.

[redacted] advised that ROCKWELL formerly worked for one WALLACE ALLEN in Atlanta, Georgia, for the "American Mercury" magazine in New York City and for one ROBERT B. SNOWDEN of Memphis, Tennessee. ROCKWELL resided in a trailer at the Arch Trailer Court, 5115 Jefferson Avenue, Warwick, Virginia, with his wife, [redacted] and four children while in the Newport News, Virginia, area.

[redacted] advised that ROCKWELL at one time was interested in the magazine, "U.S. Lady," published in Washington, D.C., and directed at agitation among service women and wives of service men.

ROCKWELL met his wife while he was stationed in Iceland and the ROCKWELLS went to "HITLER's Retreat" in Germany on their honeymoon.

[] stated that ROCKWELL's aim was to form an organization to support his pro-Nazi views and ROCKWELL has stated that the Constitution of the United States is out of date and that constitutional powers should be suspended. ROCKWELL also stated that the country needed a general "cleaning up" and felt that could be done under a form of socialism.

[] advised that while in Newport News, Virginia, ROCKWELL met one HAROLD N. ARROWSMITH, JR. [] Baltimore, Maryland. According to [] STEPHENSON and ARROWSMITH had been doing research on the history of World War I and the Russian Revolution concerning the Zionists' participation in each.

According to [] ARROWSMITH departed Newport News, Virginia, with ROCKWELL on May 10, 1958.

On October 16, 1958, GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, advised Special Agents (SAs) of the FBI that he had read in the newspapers that WALLACE ALLEN had been arrested in Atlanta, Georgia, in connection with the bombing of a synagogue there on October 12, 1958.

ROCKWELL stated that he had written a letter to ALLEN prior to his arrest, which was as follows:

"Dear WALLACE:

"It was wonderful to talk to you on the phone! Made me realize how feeble and uninformed most of the so-called 'hard core' is, just by contrast. . .

"The enclosed 'hate-mongering' will give you an idea of the calibre of material we are preparing to roast the Jews alive in the fire of truth, as it were. (Next word obliterated) is all-out on the stickers, which are the ultimate weapon against the Jew, because he can't see where he's getting hit from,--the technique he himself has been using to knock us all off. People who won't even publicly admit that there are such things as Jews have been sneaking up to get a supply of these 'Communism is Jewish!' stickers to put up privately in the right places. . ."

ROCKWELL said that the anti-Jewish literature which he prints is not meant to incite anyone to violence and that he has printed several things which ask that violence not be committed. He says that his current aim is to form an organization to be called The World Union of Free Enterprise and National Socialists which would be a legitimate political group based on free enterprise and racial nationalism. The group would be something like the organization ADOLF HITLER formed, he said; however, "we" would not be Nazis. "We" want to defeat the Jews with the truth, ROCKWELL said, just like HITLER. He said that HITLER only committed violence when he was attacked but that his proposed group would not use violence while being attacked by the Jews.

ROCKWELL said literature setting forth the truth was worth more than 10,000 cross burnings or a bombing. He and ALLEN, he said, are fighting the political Jews and not fighting the religious aspect. ROCKWELL said that his new political party is necessary in this country because democracy as it is in this country today "is a perversion of the original democracy of our forefathers."

SUBJECT: WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS;
 GEORGE LINCOLN ROCKWELL
 RACIAL MATTERS

On the morning of November 16, 1958, a pamphlet entitled, "Who's A Hate-Monger?" was found in the front door of the apartment of SA Arlington, Virginia. This pamphlet was distributed by a party or parties unknown between the hours of 12:01 a.m., November 16, 1958, and 9:45 a.m., November 16, 1958.

The pamphlet indicates that this is the statement by LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington 13, Virginia. The pamphlet further states that ROCKWELL is the National Commander of the World Union of Free Enterprise National Socialists, located at the same address.

The pamphlet reads in part as follows:

"We learn that Russian Jews control ALL our television networks, our movies, most of our giant newspapers, our theater, our concert stage, and the monster department stores in cities all over the country which support ALL newspapers with their huge advertising budgets.

"We discover with increasing concern that Jewish papers and leaders boast that it was largely through Jewish efforts that the Supreme Court was induced to render its integration decision, and that it is the American Jewish Committee and the Anti-Defamation League of B'nai Brith which push so everlastingly hard for race mixing in our stricken U.S. South.

"When we go to the JEWISH books and papers, we discover that, among themselves, the Jews make no bones about their program of hatred and suppression of US. They advise Jews, for instance, to work to get rid of our ancient and precious Christmas traditions in our public life, and counsel their 'Brotherhood' workers to get in their efforts in JULY, not at Christmas time, so that we won't notice their activity. Imagine what any normal person would think of a Christian who went to Israel, was welcomed, and then began a careful, planned activity in SECRET to eliminate Yom Kippur from Israeli life!

APR/nlh

RH 100-9667

"In short, when we examine the ACTIVITIES of most Jews, we discover that their CREED appears to be hate and suppression of US, and manipulations to gain our power, our money, and our very inheritance of Nordic blood!

"If the facts prove this is true, no matter what the Jews or their apologists SAY, we are not only justified in being anti-Jewish; - but it is our sacred duty, if we are to survive."

Included with this pamphlet, "Who's A Hate-Monger," was a one page item labeled "Demonstration," which reads in part as follows:

"We could fill a shelf with documents proving that most of the Jews are fanatically engaged in a secret conspiracy whose very strength lies in its incredibility. It is simply TOO fantastic to believe there is such a conspiracy, but it is TRUE.

"We know, however, from bitter experience, that mountains of FACTS are useless to us, because human nature simply will NOT see such unpleasant reality as long as illusion is so pleasant and apparently safe. He who is blind because he will not open his eyes, cannot be made to see by turning on more light.

"But we believe that the mounting chaos and tragedy in our world and our Nation is caused directly by the manipulations of this group of Jews, and by their suppression of all facts on the matter as 'Anti-Semitism' and 'hate-mongering.' We believe that the growing violence in the U.S. South is directly provoked by this JEWISH activity, and that we MUST make our fellow citizens realize that we are all headed for catastrophe unless we get OPEN DISCUSSION and UNDERSTANDING, instead of name-calling, suppression of facts, and terrorism of patriots.

"Since we cannot hope to get our ideas and facts before the millions with our little Multilith, in competition with the giant presses and transmitters of men like EUGENE MEYERS, we have decided to give a DEMONSTRATION of the power of Jewry so you can SEE THE CONSPIRACY IN ACTION."

III. NEWSPAPER ALLEGATIONS AND RELATED MATTERS
CONCERNING SUBJECT'S ACTIVITIES WITH THE ARABS

A series of five articles appeared in the "New York Daily News" from January 20 to 24, 1959, written by DAVID BURK and entitled, "Peddling Hate in America: Egypt's NASSER." In these articles BURK accuses the Arabs of fomenting much of the anti-Jewish acts perpetrated by hate groups in the United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution.

The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-NASSER propaganda, the implication being that such propaganda was furnished by the Arabs.

These articles specifically name certain persons as being leaders of a hate corps acting on behalf of President NASSER of the United Arab Republic in spreading anti-Jewish literature in this country through their publications or their activities. One of these individuals specifically named in BURK's articles was GEORGE LINCOLN ROCKWELL.

100-
10001
[] advised on March 5, 1959, that DAVID BURK, the author of the previously-mentioned articles, is of the Jewish faith and formerly was a correspondent for a British newspaper in Cairo, Egypt. However, several years ago BURK and several other correspondents, among whom was ISSA EL KORASHI, who is now the United Nations (UN) correspondent for the "New York Daily News," were "thrown out" of Egypt by order of President GAMAL ABDEL NASSER. BURK then came to the United States and took up residence in Brooklyn, New York, and over the past years has written feature articles for the "New York Daily News."

The first article of the series entitled, "The Lunatic Fringe Hangs Ravings on the Cairo Line," stated "nearly ninety dynamite blasts have echoed around the country in the last two years, aimed mainly at Jews, Negroes and sincere Christian citizens who have publicly backed these

WFO 97-1143

groups." The article states that with the bombing of the Temple at Atlanta, Georgia, last October the "startling fact leaked out" that practically every operation fitted into a national pattern which "authorities" attributed to a "loose-linked network of American neo-Fascist groups peppered around the country." The article continued that this "hate corps" had emerged as a "fifth column" acting in behalf of President GAMAL ABDEL NASSER of the United Arab Republic (UAR).

According to the article one of the men behind "this hate racket" was "a fuehrer-minded Virginian," GEORGE LINCOLN ROCKWELL, whose name had been linked with the men on trial for the "Atlanta bombing." BURK quoted ROCKWELL as having said to him, "ADOLF HITLER was a gift from an inscrutable Providence. He was a world Savior in his time."

The article stated that "NASSER's dominated segment of the Arab world" regards not only American Jewry, but the United States administration, too, as the "fountainhead" of Israel's moral and financial help and that NASSER must "knock out" Israel's backers in the United States before he could keep his pledge to his followers to "knock out" Israel itself.

The article claims that NASSER has been using Egyptian military intelligence officers and men, who could hide behind diplomatic immunity, as "contact men" and a group of individuals and periodicals as his "mouthpieces."

The article indicated that Arab officials have denied any connection with "hate groups," but that HAROLD N. ARROWSMITH "admitted 'fat cat' (financier) of some of the activities of the Atlanta States Rights Gang, five of whom are currently on trial for the bombing," had assured BURK that his, ARROWSMITH's, "counsel was much in demand not only by the Arabs, but also by the FBI and the State Department."

The article also sets forth "the protege of ARROWSMITH, GEORGE LINCOLN ROCKWELL, who master-minded States Rights Party demonstrations in Atlanta and Washington last July under his own banner, the National Committee to Free America from Jewish Domination," had told BURK that ARROWSMITH had "brought the

WFO 97-1143

head of NASSER's secret service" to see ROCKWELL. ARROWSMITH later denied this to BURK and according to the article, BURK also doubted it.

The article stated that BURK had a long talk with an official of the "UAR embassy" in Washington and had been assured that the UAR Government would have nothing to do with "these scum" and "they would be kicked out, if they dared to cross the embassy threshold." BURK quoted the UAR official as having said, "What can we do if these people want to help tell our story? Is that our fault?"

"You know as well as I do that the Jews control your so-called free press here. Only the Zionists' voices are heard."

The article concluded that the UAR official "might have been quoting straight from an American hate sheet or from Cairo radio" and commented, "They're pretty hard to tell about."

The last article of the series written by BURK, entitled, "An Anti-Red Mask Covers True Face of Fascism in U.S.," sets forth, "America's lunatic racist fringe poses as vehemently anti-Communist." The article states that the obvious reason for this is that there are potentially millions in the country today, strongly anti-communist, who would refuse to support any movement "preaching inter-racial hatred." According to the article, by asserting that communism is a part of a Jewish international conspiracy and "throwing in vicious slanders of the Negro for good measure, the Fascists can make some headway."

The article continues that much of the "juggled history" which propagandists use as the basis for their "outpourings" is "dredged up" by HAROLD N. ARROWSMITH, "who admits having financed Arlington, Virginia., fuehrer, GEORGE LINCOLN ROCKWELL, and the Yorkville thugs ROCKWELL sent to Washington and Atlanta to sing his hymn of hate." The article noted that ARROWSMITH and ROCKWELL were "squabbling" and stated that the main reason "apparently was ARROWSMITH's indignation at being identified by ROCKWELL as the 'fat cat' (financier) mentioned in ROCKWELL's letter to one of the men charged with the Atlanta Temple blast."

~~SECRET~~

WFO 97-1143

According to the article, BURK quoted ARROWSMITH as follows: "I thought I could handle ROCKWELL, but I found that I was wrong. He's a dangerous character. His political ideas are asinine and he has a fuehrer complex."

The article continued that ARROWSMITH had made a \$15,200 cash down payment on ROCKWELL's house on Arlington's Williamsburg Boulevard and had spent more than \$6,000 to install "photo-litho" printing equipment in the cellar.

BURK quoted ARROWSMITH as follows: "It was very naughty of ROCKWELL to say I was his 'fat cat.' I didn't have anything to do with the Atlanta bombing. I knew nothing about it. All I did was pay the cost of ROCKWELL's picketing in July in Washington and Atlanta and for the printing of fifteen thousand or twenty thousand leaflets."

The article sets forth that ROCKWELL had declared in an interview with BURK that since police found some of ROCKWELL's personal letters in the home of WALLACE ALLEN, "one of the men currently under indictment for the Atlanta bombing, telephone threats have been a daily occurrence."

Concerning HAROLD N. ARROWSMITH, the article quoted ROCKWELL as follows: "He picked me because he wanted a tough anti-Jew fighter. He wanted them tougher and tougher."

"I have got a bunch of boys in Yorkville who are real tough. ARROWSMITH wanted my boys. All I have to do is send for them and they'd be here in a flash. They'll do anything I ask them."

The article noted that the "boys" had also been mentioned in ROCKWELL's letter to ALLEN, which according to the article, said: "The boys are coming from New York for the work here - no guts in the local citizens. . ." The article continued in part as follows: "ROCKWELL, who says he attended Brown University and was a U.S. Navy Commander in World War Two, then laid the policy of his National Committee to Free America from Jewish Domination on the line. In fact, he gave me a preview of a new seven-point program 'that hasn't even gone to the printer's yet.'"

"The essence of his philosophy - 'unlike ARROWSMITHS', he pointed out - is his basic tolerance. He said: 'Most of the people on our side, 90 % of those who work in the open, are crackpots. Isolationists, anti-Negro, totally anti-Jewish, many anti-Catholics. Most are fanatics on one or two subjects.'

"We, on the other hand, are religiously uncommitted, international, pro-Negro, pro-private enterprise, national Socialists and anti-Capitalists....the basic aspects of our world view are the same as ADOLF HITLERS. He was a gift from an inscrutable providence. A world Savior in his time.'

"He described himself as 'anti-dictatorship, though no part of society has the right to complete freedom.' The Jews, under Rockwellism, would all be carefully investigated and 'those found to have had no part in the world Marxist conspiracy would not be harmed.

"The Rockwellians also have the answer to the integration problem. They would, he said, 'appropriate the ten billion now being spent on integration to establish an ultra-modern, fully-equipped nation for the Negroes in Africa.'

"ROCKWELL declared that he has 'five hundred hard - core supporters spread through the world - in Egypt, Iceland, the U.S. and Europe.' There is no membership card as yet and no real organization as such, he said, but added: 'Since the Atlanta business I've been living on pennies. I'm thinking of trying to register as a foreign agent and working for the Arabs. I want to cut off money to Israel. I think the Arabs should be willing to pay me a salary for that.'

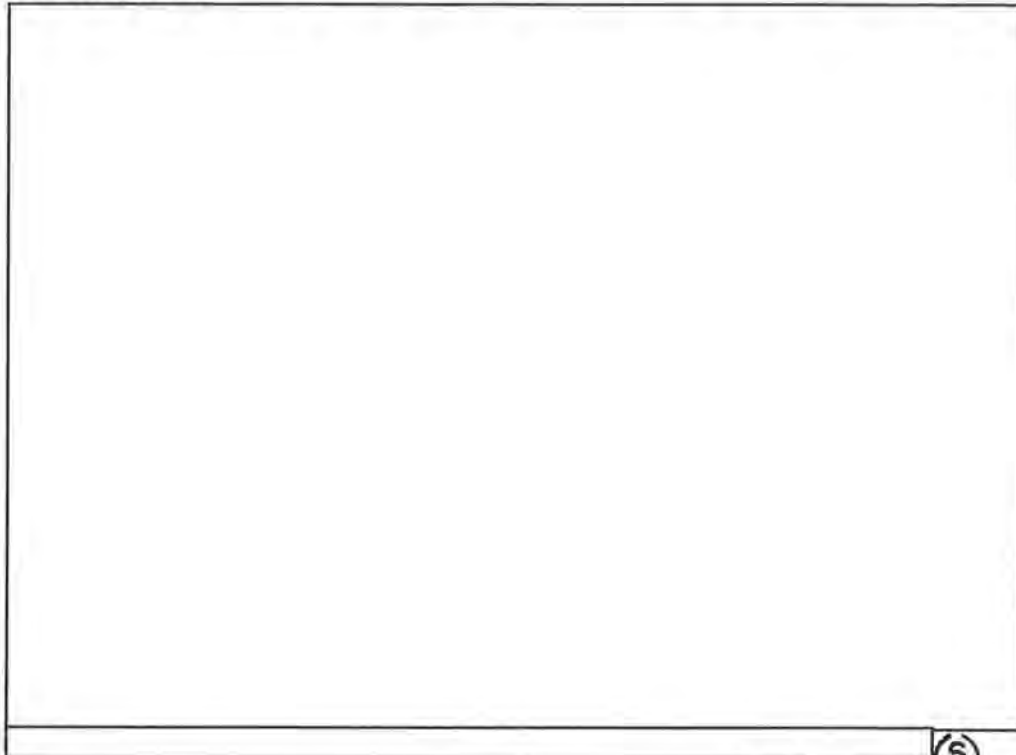

The October 13, 1958, issue of the "Washington Post and Times Herald" in an article entitled, "Blast From 40 Sticks of Dynamite Rips Jewish Temple in Atlanta," sets forth that the temple, home of the Hebrew Benevolent Congregation on Peachtree Road, Atlanta, Georgia, had been "bombed by an estimated forty to fifty sticks of dynamite on October 12, 1958."

This article refers to this series of five articles recently published in "New York's largest newspaper, the 'Daily News,' which were written by a staff reporter, DAVID BURK." ALMOND. Simultaneously, ROCKWELL's picture appeared on the front page of NASSER's newspaper, El Aharan, though in denial of reports that NASSER had anything to do with the American hate-nest.

"The group which recently has assumed the name of 'The Virginia Committee to Impeach Gov. ALMOND,' gives its mailing headquarters as P.O. Box 1352 in Arlington.

"The box was rented on Feb. 3 by FLOYD FLEMING, grizzled old hate agitator and sidekick of rabble rouser JOHN KASPER. The Seaboard White Citizens Council was built around them. Two of FLEMING's henchmen, EUGENE COLTON and H. CARY HANSEL, also signed the rental papers for the box.

"The group operates largely from ROCKWELL's home at 6512 Williamsburg blvd. ROCKWELL is the son of the prewar radio comedian and rocking-chair philosopher, 'Doc' ROCKWELL whose squeaky voice was once familiar to millions of listeners.

"ROCKWELL's letters to WALLACE ALLEN, a crippled printing salesman, were picked up by Atlanta police during their investigation of the synagogue bombing. ALLEN was identified by police as one of the five men who attended a strategy session at which the dynamiting was discussed. ROCKWELL ended some letters to ALLEN with the Nazi phrase, 'Sieg Heil.' One of his letters referred cryptically to a 'big blast,' but ROCKWELL insisted to the FBI that he meant a planned picketing and knew nothing of the subsequent bombing.

"One letter also spoke of a 'fat-cat financier' who turned out to be HAROLD NOEL ARROWSMITH, JR., son of the late canon of Baltimore's Episcopal Cathedral. ARROWSMITH took offense at the 'fat cat' reference, apparently thinking ROCKWELL was ridiculing his physical plumpness.

"ROCKWELL boasted to associates that 'IKE the Kike' signs, used in picketing the White House, are now in Cairo. What apparently happened, however, is that snapshots of the picketing were forwarded to Cairo.

"It appears to be true that ARROWSMITH was in touch with SALEM BADER, who runs what he calls the Arab-Asian Institute. BADER registered as a foreign agent in 1957 and listed contributions from Saudi Arabia of \$500 on March 18, 1957, and another \$150 on April 8, 1957."

By letter dated October 31, 1958, J. ROCKWELL was advised that his trip was not a basis for registration since the Foreign Agents Registration Act contemplated only activity within the United States. ROCKWELL was informed that in the event he agreed to act at the order, request or under the direction of the Egyptian Government with respect to his propaganda activities, he would be under an obligation to file a registration statement pursuant to the provisions of the Act.

ROCKWELL stated that he did not want registration forms until after he had concluded his agreement with the Egyptian Government.

On October 31, 1958, GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, telephonically advised that a dinner is to be held on Saturday night, November 1, 1958 at the Arlington Jewish Center, Arlington, Virginia, and the purpose of the dinner is to raise funds to build a village in Israel to be known as the Arlington-Fairfax Village. The method to raise funds is to be through the sale of Israeli Government Bonds.

ROCKWELL stated he had contacted NATHAN LENVIN, head of the Registration Section, U. S. Department of Justice, Washington, D. C., in person on October 30, 1958, and had inquired of LENVIN if he could sell Egyptian Government Bonds for the purpose of building a village. At this time, LENVIN advised he could not do so without registering as a foreign agent. LENVIN made available to ROCKWELL a list of all registered agents in the United States.

ROCKWELL stated he perused this list and noted that the name of IRVING BERMAN, Falls Church, Virginia, who is Chairman of the Israel Fund Drive, was not listed. b7C

ROCKWELL stated he called LENVIN on the phone on October 31, 1958 and advised him thereof and LENVIN then gave him a story which differed from the one he had given on October 30, 1958.

ROCKWELL stated that if the dinner is held, he and his associates would picket the place and have placards which will indicate that the dinner is being held in violation of the law. By letter dated November 25, 1958, Mr. YEAGLEY informed that Mr. LENVIN did not recall any mention by ROCKWELL during their conference on October 30, 1958, of selling Egyptian Government bonds, and that ROCKWELL had spoken only of his possible obligations under terms of the Foreign Agents Registration Act of 1938, as amended, in the event he was retained by the Government of Egypt as a propaganda agent.

[REDACTED] ROCKWELL reported the following plan through which he hoped to raise money for his anti-Semitic and pro-Nazi campaign. ROCKWELL stated that WEST HOOKER was then in Italy where he operated a soft drink concern. ROCKWELL stated that he was in contact with HOOKER and that HOOKER is to go to Cairo, Egypt, to see Colonel NASSER in order to get him to make a statement that he intends to nationalize Egypt's oil industry. As a result, oil stocks in the United States would go down, ROCKWELL said.

When the value of the oil stock decreases a millionaire whom ROCKWELL referred to as [REDACTED] (phonetic) and whom ROCKWELL said has contributed money to ROCKWELL's anti-Semitic activity in the past, and other anti-Semitic millionaires will purchase the stock. ROCKWELL said that NASSER would then retract his statement, the price on the stock would go up, and [REDACTED] and others who invested would amass a small fortune. ROCKWELL stated that a huge portion of this money would be used for his anti-Semitic campaign.

ROCKWELL felt certain that NASSER would go along with the plan because he would then have a strong pro-NASSER group to oppose the Jews in the United States.

On November 3, 1958, [REDACTED] advised that the Nationalists Party, also known as the National Youth League was an anti-Semitic, neo-Fascist organization founded in New York City in 1954 by WEST HOOKER, a notorious anti-Semite. The informant further advised that this organization was inactive from 1956 to July, 1958, at which time GEORGE LINCOLN ROCKWELL associated with the National States Rights Party (NSRP) revived it to use in connection with the activities of NSRP.

On November 3, 1958, [] advised that the NSRP was founded in 1958 and is composed of past members of the Ku Klux Klan (KKK) and notorious anti-Semites.

At its convention in Louisville, Kentucky, on August 30, 1958, [] advised that the NSRP indicated that it was a political party dedicated to segregation.

The KKK has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On March 10, 1959, [] advised that ROCKWELL has said that he visited the UAR Embassy and was asked to leave. ROCKWELL wrote a letter to NASSER asking for a union of the two, but that he had not received an answer as yet. ROCKWELL mentioned that his "Save IKE From The Kikes" signs were in Cairo and that his picture had appeared on the front page of a Cairo paper. ROCKWELL has mentioned that the head of the Arab Secret Service in the United States had been in his house, but never furnished any details in that regard. ROCKWELL has stated that if he worked for the Arabs as a foreign agent he would give up the "Nazi line" for the time being.

The U.S. Department of State made available on February 3, 1959, a memorandum of conversation dated January 30, 1959, the participants to the conversation being AMIN M. MOUFTAH, Minister, Embassy of the UAR, and [redacted] United States Department of State. This memorandum indicated that MOUFTAH informed [redacted] Mr. ROCKWELL, whose name had been associated in some reports with the bombing of the Jewish synagogue in Atlanta, had appeared at the Embassy of the UAR on January 28 and 29, 1959. The first day ROCKWELL had been turned away for lack of an appropriate UAR official with whom he could converse. On the second occasions ROCKWELL was referred to Mr. MOUFTAH.

The memorandum then continued "Mr. MOUFTAH said that as soon as he was introduced to Mr. ROCKWELL he asked the latter to please leave the Embassy. Mr. ROCKWELL insisted he had an abundance of information which would be of interest to the UAR Embassy. Reminding Mr. ROCKWELL that the UAR has

already become victim of vicious propaganda based on false allegations concerning complicity in the bombing of Jewish institutions, Mr. MOUFTAH told Mr. ROCKWELL he simply was not interested and to leave immediately. According to Mr. MOUFTAH, Mr. ROCKWELL therewith made his exit.

"Mr. MOUFTAH stated he wished to report this information to protect the UAR Embassy from an misunderstandings, malicious or unwitting, which might arise should a report get out that Mr. ROCKWELL had been seen in the UAR Embassy."

On February 17, 1959, [] furnished a copy of a letter which, according to informant, was mailed by GEORGE LINCOLN ROCKWELL to President NASSER of Egypt on February 5, 1959, which letter reads as follows: b2 b7D

"His Excellency President NASSER
"Cairo, Egypt

"Excellency:

"There can be no doubt that you have seen the despicable articles in the New York Daily News pillorying us all as a gang of dirty 'hate' conspirators against the poor, innocent Jews,--so I will not waste your time with a recital of the contents.

"However your representatives here in America have stated that they would throw such 'scum' as myself out of their premises 'bodily,' and I cannot believe you have authorized such cowardly and traitorous utterances.

"I know they are cowardly, because I have appeared at your Embassy in Washington to be thrown out as promised,--and, while I was indeed dealt with most discourteously, I was NOT thrown out.

"I am a Commander in the U.S. Navy--a fighter pilot--and I know you too are a military man. I am a man of honor and integrity and courage like yourself, and I cannot believe you will run like a rabbit because the Jews here snarl at us.

~~SECRET~~

WFO 97-1143

"Can it be that the great character which was able to unite and defend his people against the Jewish Imperialist conspiracy has grown so soft and weak that he is now frightened to speak forthose who are brave enough to fight the same thing you defeated?

"We mean to expose the vicious conspiracy which is destroying our people, as it almost did yours, and to drive the ugly thing to its well deserved death. We propose nothing immoral or illegal. On the contrary, we are prepared to expose the ILLEGAL fund raising here in the billions for Israel,--and to STOP these illegal funds with the LAW. We are prepared to do this, honorably, openly, powerfully.

"When a man is accused of being a hunchbacked monster, his best defense is to step into the light and demonstrate the TRUTH. We have been accused of being illicit, sneaky, cowardly conspirators.

"I suggest that you instruct your people to see me openly, honestly, and that we join in an open, honest, and successful fight to destroy Israel the way it must be destroyed, by cutting off the parasite's blood."

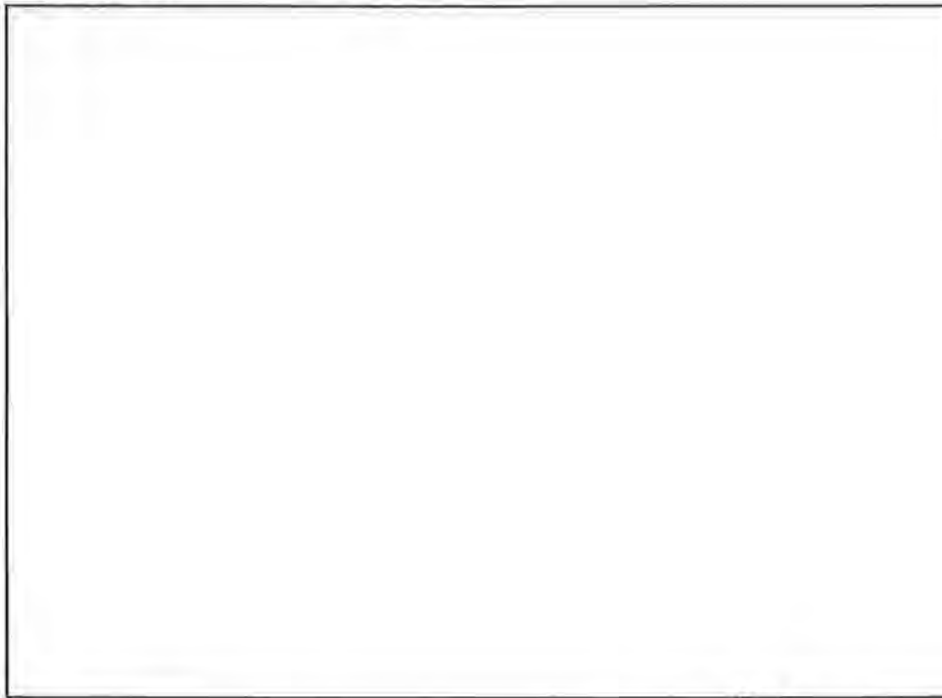

"Respectfully and with admiration,

During conversation concerning DREW PEARSON's column in which PEARSON indicated that the Arabs were financing anti-Jewish activity in the United States, ROCKWELL stated he would be glad if the Arabs would give him money to fight the Jews, but that they had not given him any money yet. ROCKWELL informed that a representative of the "Arab Delegation" had called on ROCKWELL and requested signs used in a demonstration last July, which ROCKWELL gave to him.

One of these leaflets included in the mailing was headed "Anatomy of A Smear by DREW PEARSON," which purported to show that ROCKWELL and others were smeared by PEARSON's February 17, 1959, column regarding ROCKWELL's activities.

On April 2, 1959, [redacted] made available a copy of a reported telephone interview of subject by [redacted] Washington, D.C. A transcript of the above-recorded conversation reflects that ROCKWELL stated

that he had not received any money from President NASSER of the UAR. ROCKWELL stated to receive money from President NASSER would be a criminal offense and "if I had taken any money from Mr. NASSER or any other foreign government without registering as a foreign agent, it would be a crime and if Mr. PEARSON has any evidence of it and fails to turn it into the Justice Department, as he has not, he would be an accessory as to the facts." The transcript reflects that ROCKWELL stated he was suing PEARSON for \$600,000 in the District Court of the District of Columbia for saying ROCKWELL had received money from President NASSER.

letter from "Colonel NASSER"
ROCKWELL, [redacted]
[redacted] stated that on a whole it was a "soft" letter.

On April 23, 1959, [redacted]
[redacted] Arlington Police Department, Arlington, Virginia, made available a Photostat of a letter addressed to subject from President GAMAL ABDEL NASSER of the UAR. This letter was among the items seized by the Arlington Police Department when it raided subject's residence, 6512 Williamsburg Boulevard, Arlington, Virginia, on April 21, 1959. A search warrant had been issued prior to the raid by the Arlington County Circuit Court following the return of a "two count presentment" by the Arlington Grand Jury, which charged subject with maintaining a public nuisance and disorderly conduct. This letter is as follows:

"U.A.R.

"Cairo 26 .3.1959.

"Mr. LINCOLN ROCKWELL,
6512 Williamsburg Boulevard,
Arlington 13, Virginia,
U.S.A.

"Dear Mr. LINCOLN ROCKWELL,

"I am writing to thank you for your letter dated Feb. 5, 59. With which you enclosed a pamphlet, containing information about the sort of resistance you are maintaining against destructive zionist activity.

~~SECRET~~

~~SECRET~~
WFO 97-1143

"I hope your efforts will help the delivering of humanity from zionist aggression. It seems a matter of regret that despite all this collaboration and almost all attempts at peace, a body of politicians and statesmen still pursue a line of propaganda and fabrication, subject to almost every whim or caprice. In this sense they foreward the work of destruction.

"I have a finally established belief that national awareness throughout the world in addition to devotion for the cause of liberty and peace will expose such sinister policies and avoid the world a third disaster. A day will come when war-mongers and sham politicians will be called to account for their crimes.

"It is unfortunate that the States adopt a policy of subservience in face of these forces which serve no end or purpose or good. It is a further point of disappointment that your government is in consistent in the sense that while it declares one thing, it seems to inact another specially in this part of the world which seems to be sensitive enough to anything that may come from America in the hope that the American standprint may be reorientated to a nobler policy and fairer policy contributing something to the interest of these resurgent nationalities.

"Does it not seem strange that America which presumably champions the right cause, finances Jewish emigration with a view of implementing the expansionist policy of Israel.

"Is it sensible to encourage so vast a movement of emigration depriving thousands of their homes only to give them settlement in Israel?

"Communists will utilize these circumstances in so far as they can get rid of the Jews and confiscate their property, further they can endanger the international position of the States in matters bearing on its policy everywhere. "

"Best regards.

On August 18, 1959, [] advised that ROCKWELL currently resides [] Falls Church, Virginia. [] stated [] has been active in the activities of the World Union of Free Enterprise National Socialists (WUFENS) described below.

On August 18, 1959, [] also advised that there was no headquarters, as such, of the WUFENS at the current time, since subject who is the Commander and organizer of the WUFENS, has not been located at any one place for more than a month at a time.

McNair, Washington, D. C., from July 12 - 25, 1959. [redacted] he thought it would be a good idea to have the above mentioned exhibit set up for the Seminar. [redacted] the Reserve Officers Association of the United States, made arrangements to have the exhibit sent to the Seminar where it was quite a success.

[redacted] he did not think anything more about the above mentioned exhibit until on August 21, 1959, he received a telephone call from an individual who stated his name was Commander Ridgeway of the United States Navy. Rockwell, [] probably read about in the local newspapers since he is "anti-Semitic," is a Nazi, and is head of the American Nazi party. [] Rockwell explained that they both could make thousands of dollars by duplicating the above exhibit and sending it around the United States during Premier Nikita S. Khrushchev's visit to the United States in September, 1959. Rockwell explained that they could send this display to the various cities and states during the time that Premier Khrushchev was visiting such cities and states. Therefore, the exhibit would be displaying what Khrushchev, the Soviet Union, and communism really stood for and had done to a number of the European nations. Rockwell explained that Russell Maguire who owns the "American Mercury" magazine of New York, New York, would finance the cost of sending this exhibit throughout the United States as described above. Rockwell commented that Maguire was worth approximately \$80,000,000 having made that amount principally in the oil industry.

[] Rockwell appeared to be a zealot about the "Jews" and commented how anti-Semitic he was.

THE EVENING STAR

Washington, D. C., Friday, September 18, 1959

Both Rockwell Charges Fail

George Lincoln Rockwell, self-described neo-Nazi, yesterday was freed from charges of disorderly conduct and creating a public nuisance.

Arlington Circuit Court Judge William D. Medley dismissed the charges on grounds that the defendant's actions were not a crime for which he could be convicted.

Mr. Rockwell, 41, listed as 1417 Huntington avenue, Alexandria, said he was leaving Sunday to join his wife and children in Iceland, where they had moved several weeks ago.

Mr. Rockwell's previous home at 6512 Williamsburg boulevard was raided by Arlington police last April 22 after a grand jury had returned a two-count presentment against him.

Items confiscated by police included weapons and 10,000 anti-Jewish and Nazi pamphlets and some books on Adolf Hitler. Some of the items were returned to Mr. Rockwell yesterday by order of the judge. Mr. Rockwell said he did not receive all of the confiscated materials.

The grand jury had charged him with displaying a swastika and using uniforms with swastika armbands "indicating by such actions that he advocates the principles and policies of Adolf Hitler and the Third Reich of Germany."

INFORMATION REGARDING [redacted]
[redacted] United States Marine Corps, Serial Number [redacted]

By letter dated July 21, 1959, [redacted]

[redacted] United States Navy, Washington, D. C.,
made available information regarding [redacted]
[redacted] United States Marine Corps, Serial Number [redacted]

Enclosed were copies of the report of Special Agent
[redacted] from the [redacted]

[redacted] These reports reflect in part as follows:

[redacted] USMC. [redacted]
[redacted] produced Subject's
service record which indicated he had reported for duty at [redacted]
[redacted]

" On [redacted] Subj was interviewed at [redacted] by the reporting agent. Before any questions were asked, he was advised of his rights under Article 31, UCMJ, informed that he was to be questioned concerning his alleged participation in an anti-Jewish demonstration in Washington, D. C., in July 1958, and further informed that he need answer no questions concerning this matter that would tend to incriminate him, and was warned that any answers or statements that he did make could be used as evidence against him in a trial by court-martial. [redacted] signified that he completely understood his rights under Article 31, UCMJ.

"During this interview, [redacted] steadfastly denied having participated in an anti-Jewish demonstration in Washington, D. C., but did admit that he had gone to Washington, D. C., "during the latter part of July 1958", with "a couple of friends". He stated that the purpose of this visit was to go "sight-seeing", while he was on leave from the Marine Corps. He identified his friends as [redacted] who were from his home neighborhood [redacted] New York City. He stated that they traveled by bus and stayed at a motor court, the name of which he could not remember, but from which "you could easily see the Washington Monument". He reported that they "looked around Washington", but did not see any anti-Jewish demonstrations or picketing. They planned to visit the Arlington Memorial Cemetery, but did not have time. b7C

"When [redacted] was questioned concerning his background, he stated that he was born in [redacted]. He had gone to school in [redacted] but did not [redacted]. He said that his father had [redacted] that he had an older married sister, and that he had had an older brother [redacted] by person or persons unknown. While still in high school, he stated that he joined the "Nationalist Youth League", an organization whose main objective was "to combat communism in this country",

"to give the youth something to fight for "by combating juvenile delinquency". This organization was very anti-Jewish, strongly favored Hitler's "racial policies", and also advocated segregation. It was headed by a man named West HOOKER who lived at Larchmont, New York, but who later moved to Connecticut. The organization had a club house in a "store" where they tried to sell "leaflets from the south". While a member of the Nationalist Youth League, [] stated that he did on one occasion "picket Carnegie Hall", to "support a meeting held by Senator McCarthy".

"When asked why he joined the Nationalist Youth League, [] said that his mother had a friend [] who was killed in Korea. He said that he liked [] very much and that when his death "made his mother cry", he began to hate the "dirty Commies", and joined the organization as a means to "fight" them. He said that he studied maps and read books on Russia trying to "figure out ways to get in and bomb them". The Nationalist Youth League was anti-Semitic because "most of the Commies were Jews". He said he finally left the League because "West HOOKER broke away from it", and also because his mother and the "Board of Education" were "against it". He stated that when he joined the Marine Corps, he was no longer a member of the League. He said the "anti-Defamation League" "knew all about" the Nationalist Youth League, West HOOKER, and others associated with it, that they called them "troublemakers".

b7C

"On [] was again interviewed at [] by the reporting agent. Before any questions were asked, he was carefully advised of his rights under Article 31, UCMJ. He stated he understood his rights, that he had "thought over" the information he had given in the previous interview, and admitted that he had in fact participated in the anti-Jewish demonstration in Washington, D. C., in July, 1958. He related that he had gone home to New York City on leave from the Marine Corps and learned from his friends of the demonstration. He stated that because he "sympathized with the ideals" of the people who were going to Washington, D. C., to participate in the demonstration, that he wanted to accompany them. He said that he did not know who was the leader of the group from New York, but that about 15 persons traveled to Washington in a chartered bus, arriving in the late afternoon or evening of 25 July 1958. They proceeded to a motor court (still could not remember the name), where Mr. ROCKWELL had made arrangements for their stay. [] stated that he knew ROCKWELL as "Commander ROCKWELL" and believed that he was a former Naval Officer. ROCKWELL lived in Arlington, Virginia, and was accompanied by a man named ARROWSMITH who he believed to be a

"wealthy man from Baltimore". No activity was schedule for Friday the day of their arrival.

"On Saturday, 26 July 1958, after eating, the group went to ROCKWELL's home in Arlington, Virginia, and spent the day and night there, many sleeping on the lawn in the back of the house. They made plans, talked and discussed "old times" - things the Youth League had done before its dissolution.

"On Sunday, 27 July 1958, the New York group tentatively decided not to participate in the picketing of the White House, but after a "pep talk" by ROCKWELL, they decided to go ahead. [redacted] stated that ROCKWELL "forbid" him to participate either in handing out leaflets or in joining the picket line, because he was in the Marine Corps. However, when the group left in taxis for the White House, [redacted] stated that he went along, but got out before they arrived and watched the demonstration from the park across the street from the White House. He stated that the picketing went smoothly and lasted for a "few hours". Afterwards, he joined the group and they proceeded back to the motel by taxi. Later they returned to New York via the chartered bus, arriving at 8:00 or 9:00 P. M. [redacted] stated the reason he wanted to participate in the demonstration was because "he sympathized in the group's ideals".

[redacted] stated that the following people in the group were the only ones that he could recall:

"George LEGGETT - considered himself head of the "United Nordic Confederation". He had no connection with the Nationalist Youth League, and he was considered a "psychotic" - once tried to hold up a bank.

"Jack TROLAND - called the "Fuhrer of Yorkville". He had belonged to the Nationalist Youth League. [redacted] considered him a "juvenile delinquent of low mentality". He was strongly anti-Communist and anti-Jewish, but considered a joke. His "German Army" consisted of a group of juveniles who put on swastika arm bands and marched about the streets.

[redacted] - a member of the Nationalist Youth Party. [redacted] said that he was a friend of his who "had the same ideals".

[redacted] - [redacted] was tricked into making the trip by [redacted]. He was told they were going to Washington to attend a party. [redacted] was not sympathetic to the group, did not participate in the demonstration, and had nothing to do with it.

" Charles SMITH - an elderly man from New York who published the "Truth Seeker", an atheist publication. He used to work for Conde MCGINLEY (not on the trip) of Union, New Jersey, who publishes a newspaper which he claims is the "oldest anti Semitic newspaper on the East Coast." b7C

[redacted] stated that he did not know [redacted]. There were also others in the New York group, but [redacted] stated he could not recall their names. He knew them only as "sympathizers".

" When asked what his present beliefs were, [redacted] stated that he was a strong "nationalist" and "pro-American". He is a "segregationist" but is not "anti-Negro", and believes the Negro should be "colonized" back to Africa "where he belongs". He said that he is "anti-Jewish" to the extent that he believes Jews are anti-Christian and "started Communism". He also believes in "white superiority" and that "the Federal Government should control our monetary policy - not an independent outfit called the Federal Reserve". Lastly, he stated that he is "strongly anti-Communist" and that he is "willing to sacrifice everything for his ideals".

" At the conclusion of the interview [redacted] b7C
Subj. executed a sworn holographic statement setting forth the details

RH 100-9667

of his participation in the anti-Jewish demonstration in Washington, D. C., on 27 July, 1958, his motive for participating and his present "ideals".

[redacted]
" I [redacted] USMC [redacted] having been informed by [redacted] who has identified himself to me as a special agent of the office of Naval Intelligence, that I am to be questioned regarding my participation in an anti Jewish demonstration in Washington, D. C. in July 1958. I have been further advised by [redacted] that I do not have to make any statement concerning this matter and that any statement made by me, may be used as evidence against me in a trial by court martial.

" I make this statement with full knowledge of my right under artical 31 Uniformed Code of Military Justice, and it is made without any threats having been made against me or any promises having been extended to me.

" I was born on [redacted] I enlisted in the U. S. Marine Corp. on [redacted] I reported for duty at [redacted]

" I participated in the picketting of the White House in Washington, D. C., about the 27th July, 1958.

" I did not go on the actual picket line, nor did I hand out material in Washington, D. C., or Arlington, Virginia. Commander Rockwell forbid me to take part in anything, except in sympathy and dedication to my cause.

" I went to Washington, D. C. with about fifteen other people, counting myself, from New York City. (chartered bus).

" Some of the people were members of a former groupe called the Nationalist Youth League. Some people were sympāthizers, and some people were unknown to me. I don't know who was head of the New York group.

" We arrived in Washington on Friday evening or night, went to motor court (don't remember name of motor court). Friday night nothing scheduled. Saturday, after breakfast, Commander Rockwell arrived at Motor Court with a stout man, believed to be Arrowsmith. We talked then went to Cmdr. Rockwell's home in Arlington, Va.

"At Commander Rockwell's home we discussed "old times", and matters concerning the picketting. About noon broke up into groups and handed out material. I don't know who handed out material. I remained behind with Cmdr. Rockwell and his family. Later we were to rejoin at Cmdr. Rockwell's home. Those who participated were George Leggett, who considered himself head of a group called United Nordic Confederation, which tried to rob a bank in New York City before he met any of us. Jack Troland, who once headed a group of juvenile Delinquents called the German Army. [redacted] was tricked into coming along by [redacted] who told him we were going to stay at the Statler Hilton Hotel in Washington then attend a party later plus go sight seeing. I do not know [redacted] from [redacted]

"Charles Smith an elderly man came along. He has a publication called the truth seeker in New York. Sunday before the picket the New York groupe suddenly decided not to go through with the picketting. Comdr. Rockwell gave a pep talk & they went ahead and picketted.

"I was told to stay behind with [redacted] Cmdr. Rockwell's wife & family. [redacted] a new man. That was the first time I meet him. Since [redacted] I decided to go with the group to D. C. [redacted] told not to take part in anything. [redacted] stay across the street from the White House in a park during the pickett. After the pickett [redacted] rejoined the groupe in a taxi, headed for the motor court. b7C

"We had a police escort to the motor court. The police remained at the motor court for our protection, until we decided to go back to New York, which was about 3:30 or 4 o'clock Sunday afternoon. I was told not to participate in anything because I was in the Marine Corp.

"There wasn't any violence at any time during our stay, as far as I know. The pickett lasted a few hours.

"During our trip back to New York City we stopped somewhere in Maryland or New Jersey for chow. After chow we proceeded to New York. We arrived in New York about 8 or 9 P.M. As soon as we landed in New York the group broke up. I went with [redacted] to a bar in our neighborhood for a few beers & to talk over our experience of the past few days.

[] did not agree with our way of thinking at all. If he had known what was coming off he never would have come. [] isn't a member nor a sympathizer of my cause.

"My present ideals are as follows. I am an American who treasures the Stars and Stripes as my own flag. Dedicated to restore the American Republic, which Washington, Jefferson, Lincoln and Teddy Roosevelt and many other right wingers established for my heritage as an American.

"I believe in segregation the same as Jefferson & Monroe & Lincoln established. I believe in colonization of the Negro, back to Africa where he belongs. I believe the money presently spent on foreign aid should be spent on the colonization program. The money could be appropriated for education - training and colonization of the Negro. I am not anti Negro.

"I am anti Jewish to the extent that the Jews are anti-Christian. The Jews did start communism and they do controll communism in the United States & Europe. 90% of the communist caught today are Jewish with alias names.

"This to me is more than "just a coincidence." Marxian Doctrian is taken from the Jewish talmud. The talmud is where Marx got his political theories. THE Jews are contrary to former American principals.

"I believe in white Superiority, just as Lincoln did. I believe the white race is superior because, the rest of the world looks toward our standings, our form of government, our principles. The world relies on the white race. No two people in the world are equal.

"I am extremely Pro American - Nationalistic. I believe the American public should have a strong "National Spirit", but doesn't. I believe we should give the House of Representatives the right to vote for Senators, not the public. I believe the federal government should controll our monetary policy, not the independent outfit called the Federal Reserve nor do I believe that Wall Street should have any hearsay about the governments financial program.

"I do believe the United States does need a good case of eugenics, for the preservation of our people.

"All these are a brief outline of my political ideals.

RH 100-9667

"I am not now, nor ever have been, nor ever will be anti American, nor a treacherous communist. I am the extreme opposite of a communist.

I treasure the Stars and Stripes. I am an American now, and all ways will be. I am not now, nor do I have any intentions of agitating or causing discredit to any of my nations armed forces.

"My country is now and all ways will be the United States of America. This I swear in the name of Almighty God and the United States of America. I am willing to sacrifice everything for my ideals.

"I have read this statement which I have written in my own hand writing. I have had the opportunity to make any corrections necessary and I have initialed all errors. This statement consists of nine pages, and I have signed my name at the bottom of each page. It is true and correct to the best of my knowledge and it was made voluntarily without any threats made against me or any promises made to me. This statement is made with full knowledge of my rights under artical 31 of the Uniformed Code of Military Justice.

Subsequent to the submission of the signed statement, subject appeared at the [] on [] and related he had received a letter from LINCOLN ROCKWELL that he desired to make additions to his statement he had executed on June 25, 1959. He was allowed to continue but was advised of the contents of Article 31, United States Code of Military Justice and he then stated he wished to better clarify his statements regarding anti-Jewishness, subversion and better identify two people.

The statement made by [] and the letter written to him by ROCKWELL are set forth hereafter.

[]

"I [] U.S.M.C. [] having been informed by [] who has identified himself to me as a special agent of the office of Naval Intelligence, that I am to be questioned regarding my participation in an anti Jewish demonstration in Washington D. C. in July 1958. "I make this statement with full knowledge of my rights under artical 31 of the U.C.M.J., and it is made without any threats having been made against me or any promisses having been extended to me.

[] I know very well, he is a fine elderly man. He helped start the Nationalist Youth League. [] only a sympathizer not a member of our organization, to my knowledge. [] didn't have anything to do with the picketting of the White House. Someone who knew him, used his name. I do not know if they obtained his permission. I don't know who used his name either.

[] New York, I know him by the name of [] the New York State White Citizen Council and that he told me that books to read concerning anthropology & evolution. I know him by recognition and phoneing him at his home [] This is all the information I know of him. He did go to Washington D. C. with us.

[redacted] was a member of the Nationalist Youth League with me, we have been friends for about 5 or 6 years. [redacted] one of the people who came to Washington a day after we came down from New York by bus. He didn't have anything to do with the pickett either. [redacted]

[redacted] His organization was or is [redacted]

"The last time I read a subversive list or book put out by the House of unAmerican Activities Committee we were not listed, to my present knowledge, we still aren't subversive. We are not subversive now, nor do I hope to be.

"We are not totally anto jewish. There are a few people of jewish origin who do not agree with what these traitors are doing to our country. These people like Mr. Henery Klien who risked his fortune and family trying to expose the treasonable acts of the Communists & the B'Nai B'rith. Mr. Klien wrote books trying to bring forth traitors, so the average public would read his book and take hold and do something about it.

"Mr. Ben Freedman who lives [redacted] New York City is another person who we respect and admire for his courage in doing the same thing Mr. Klien did. Mr. Freedman was with Mr. Condy McGinly in Union New Jersey publishing a newspaper called Common Sense. Mr. Freedman has his own publication now. I do not know of its name, nor where it is printed. These are two people of Jewish origin among maney who believe as they do and resent being accused of being a "Jewish Communist or Zionist". b7C

"We are not against a man because he is born of Jewish origin. We are against him only when he steps forward against Christianity, American principals and the White Race to join forces in the escape of America enimies (B'nai B'rith & Socialism-Communism).

"I have read this statement which I have written in my own hand witting. I have had the opportunity to make any corrections necessary and I have initialed all errors. "Dear a/c

"Slow down, --take it easy! --Don't let them hustle you into a mess when you are not in one.

"You ask me what to do.

"The answer is extremely simple.

"Tell the TRUTH.

"Go back and straighten out all the things you told them, and remember, you have done NOTHING WRONG, so far as I know. It does not matter how UNPOPULAR your opinions might be, the Navy nor nobody else can punish you or hurt you for them.

"You will remember that when you came down here with the picket group, I was horrified that you were in the service when I found out, and would not allow you to participate, --or either. But even so, I do not think you could be punished for picketing in a non-political group, which we were at that time.

"In any case, burn into your mind that you HAVE DONE NOTHING wrong or illegal or against the UCMJ.

"Stand on your rights, which are very substantial, as I found out trying to pin down open criminals when I commanded my squadron in Iceland.

"Above all, DO NOT LIE! No matter what happens, DO NOT LIE!

"So far, we have mastered the Jews and their tools at every turn because we have NOT done any sneaking, because we have been straight forward and direct. Once you start even "bending" the truth, they will soon have you looking like an arch-traitor and headed for the firing squad.

"Naval Intelligence, as well as the FBI, knows EVERYTHING we do or have done, --I have invited them all to come to our meetings, look into our files, or ask me any questions. I have cooperated with them and will continue to do so FULLY. The lower echelon people, in almost every case, know we are simply trying to expose the same truth they know themselves, and secretly sympathize with us. It is only the traitors to the Country at the TOP who drive the ordinary agents to work against us, if and when they do.

[redacted] was just up here a couple of weeks ago and took the Trooper's oath, filling out the required information form. With his express permission and request, we SENT THE ENTIRE FORM TO THE FBI. They know EVERYTHING, -and there is no reason that they shouldn't.

"In so far as you trust me as a leader, [redacted] no matter what the immediate results, you MUST go back as SOON as you get this and request to revise your testimony, especially if it was under oath. That is a RIGHT which you possess whenever questioned, if you do it voluntarily.

"Now, if there should appear to be any repercussions, and they lodge any kind of formal charges against you, you MUST get some kind of HEARING, depending on the nature of the charges. I doubt there will be any, because you have done NOTHING WRONG, and they only expose the genuine treason when they try to pillory us for exposing the bastards.

"IF, ---it goes to a hearing or any kind of a Court, demand a GOOD counsel, and see that you GET it. If it is REALLY serious, you can ask for and obtain Commander Lincoln Rockwell, USNR, as your defense counsel, --and I will assure you they will fall back in disorder before the onslaught of facts and argument I will hit them with. I am doing it all alone here in my own case, and think the charges against me will be quietly dropped.

"But remember the two rules I told you:

RH 100-9667

- "1. TELL THE TRUTH!
- "2. REMEMBER YOU HAVE DONE NOTHING WRONG!

"Don't let them scare or hustle you! That is usually easy for experienced, grown men with young, inexperienced kids like you. But you are a Nazi and a MAN, and can give them an example of quiet, dignified composure they will never forget.

"If you get flustered during any questioning, simply STOP. Refuse to proceed until you have gathered your composure and wits. They cannot hit or hurt you and can't FORCE you to talk. When they know you know your rights and obligations, and intend to stick by them, they will desist from any bullying and tricks.

"Drop everything RIGHT NOW, as soon as you read this, go to your C.O or whoever, get permission to go back to NI, and get everything STRAIGHT.

"Stay with it, We are making American history!

[] ---I better remind you of some items in our program
which render it absolutely LEGAL and PATRIOTIC, and, besides,
they are right and TRUE:

- "1. We are NOT for dictatorship. We believe in the Constitutional American REPUBLIC, as set up by the Founding Fathers who kept SLAVES and believed in ELITE Government.
- "2. We are not out to destroy the U. S. Government, but to SAVE it from traitors. The Virginia Courts have already written in a brief here that our program calls only for changes in the government made legally and by constitutional elective processes.
- "3. We are not subversive.
- "4. We are not TOTALLY anti-Jewish. Benjamin Freedman, for instance is helping us, and he is a racial Jew. It is only TRAITORS to the U.S. and the White Race we are after, and the only reason we emphasize Jews is that most of the traitors are Jews, and most of the Jews are traitors, -but not ALL. World Union of Free Enterprise National Socialists

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corp of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised on May 20, 1959, that the main activity of the organization since its inception has been the distribution of anti-Jewish material as well as material setting forth the program of the organization.

Only the information concerning subject's activities regarding the Registration Act investigation is set forth in this report. The information concerning subject's activities regarding the racial and anti-Semitic field has been reported in the case entitled "WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS; RACIAL MATTERS", Bu file 105-70374, WFO file 157-1.

All outstanding leads in this investigation have been covered and during this investigation no information has been developed which would indicate the subject has violated the Foreign Agents Registration Act of 1938, as amended. Although subject has offered his services to the Embassy of the Dominican Republic and has contacted the Embassy of the United Arab Republic in the past, it is quite doubtful whether such diplomatic establishments or any other diplomatic establishments would accept his services knowing subject's background of racial activities, which during the past eighteen months, has received considerable publicity in the various newspapers of the metropolitan Washington, D. C. area.

WFO does not feel that an interview with subject is warranted or desirable at this time since the investigation, as mentioned above, has not developed any information which would indicate subject has acted on behalf of any foreign principal. In addition, it is felt that an interview with subject would not prove productive concerning this investigation but it possibly could be because of embarrassment to the Bureau at a later date due to the temperament of subject. Therefore, no request is being made for authorization of an interview with subject. This is being placed in a closed status.

[] stated that LOUIS YALACKI, mentioned above, was a member of the World Union of Free Enterprise National Socialists (WUFENS) described in the appendix section of this report.

On September 29, 1959, [] advised that subject reportedly was looking for some sort of silk-screen business and had been to Silver Spring, Maryland, on September 27, 1959, for business reasons.

On October 15, 1959, [] advised that subject was residing with LOUIS YALACKI, mentioned above, [] in Falls Church, Virginia. According to [] telephone number [] was listed to YALACKI at this residence.

On October 19, 1959, SA [] through telephonic inquiry at Information, Chesapeake and Potomac Telephone Company, determined that [] was listed to LOUIS YALACKI at [] Falls Church, Virginia.

Other Background Information

On September 11, 1959, [] advised that ROCKWELL was attempting to raise money to finance a trip to Iceland. According to [] subject might remain in Iceland for six months or longer. ROCKWELL was having trouble with his wife and according to [] J. V. MORGAN stated he thought Mrs. ROCKWELL was going to sue for a divorce. MORGAN also stated that ROCKWELL was "no good to any body in the shape he's in now".

According to [] J. V. MORGAN was a member of WUFENS described in the appendix section of this report.

On September 16, 1959, the "Northern Virginia Sun" newspaper Arlington, Virginia, carried a statement by ROCKWELL which stated that he was selling his television, furniture, and other items to raise money to go to Iceland.

On September 16, 1959, [] advised that ROCKWELL was interviewed by a reporter of the above-mentioned newspaper concerning his intended departure for ICELAND, and that ROCKWELL stated that he was going as soon as he obtained enough money. When asked why he was going to Iceland, ROCKWELL replied "I'm going because the people of this country do not deserve me".

On October 19, 1959, [] stated that he had heard from one of ROCKWELL's associates that he understood that ROCKWELL had been hitting the bottle heavily for the last week or two.

On October 21, 1959, [] advised that on that date FLOYD FLEMING, described in the appendix section of this report, stated that ROCKWELL had flown to New York City on the morning of October 21, 1959, where he would remain with a friend until October 26, 1959.

On October 26, 1959, ROCKWELL's wife was scheduled to arrive with her family. According to [] FLEMING commented that ROCKWELL had wired his wife not to come unless she brought the children. If ROCKWELL's wife did not come, then ROCKWELL would go to Iceland. ROCKWELL felt that if the children were brought over, his wife would be more likely to remain.

On October 22, 1959, [] advised that FLEMING had stated he was going to "chew out" ROCKWELL and call him a "traitor to the right wing". FLEMING said ROCKWELL was afraid to do anything for fear his wife might find out and leave him for good. FLEMING also indicated that ROCKWELL might be going back to Iceland if he did not get a wire from his wife that week.

ACTIVITIES OF SUBJECT

On September 2, 1959, [] National Press Building, Washington, D. C., advised that approximately a year and one-half or two years ago he had seen an exhibit made by the Assembly of Captive European Nations (ACEN). He stated he was impressed by this exhibit which displayed how communists had treated the countries overrun by communism.

[] recently the National Strategy Seminar which was sponsored by the Reserve Officers Association of the United States and the Institute of American Strategy was held at the War College, Fort Leslie J. Mc Nair, Washington, D. C., from July 12 through 25, 1959. [] he thought it would be a good idea to have the above mentioned exhibit set up for the Seminar. Therefore, [] the president of the ACEN, whose name he thought was [] (possibly identical with []).

[redacted] the Reserve Officers Association of the United States, he made arrangements to have the exhibits sent to the Seminar where it was quite a success.

[redacted] he did not think anything more about the above mentioned exhibit until on August 21, 1959, he received a telephone call from an individual who stated his name was Commander RIDGEWAY of the United States Navy. This individual stated he knew how [redacted] could make some money by shipping the above exhibit around the United States. This individual requested to see [redacted] and subsequently on August 21, 1959, this individual visited [redacted] office. When the individual arrived at [redacted] office, he immediately informed [redacted] he had given [redacted] false name and that his name was GEORGE LINCOLN ROCKWELL, [redacted] probably read about in the local newspapers since he is "anti-Semitic," is a Nazi, and is head of the American Nazi party. ROCKWELL stated, however, that he considered himself a loyal American but that he was against the "Jews" since they had ruined him and since the "Jews" were communists.

ROCKWELL stated that he had obtained [redacted] name from Dr. GABOR DEBESSENTEY with [redacted] acquainted. [redacted] Dr. DEBESSENTEY resided at [redacted] Washington, D. C., and is the head of two anti-communist organizations. ROCKWELL stated he had asked DEBESSENTEY who was acquainted with the above mentioned exhibit and DEBESSENTEY had furnished [redacted]

[redacted] ROCKWELL explained that they both could make thousands of dollars by duplicating the above exhibit and sending it around the United States during Soviet Premier NIKITA S. KHRUSHCHEV's visit to the United States in September, 1959. ROCKWELL explained that they could send this display to the various cities and states during the time that Premier KHRUSHCHEV was visiting such cities and states. Therefore, the exhibit would be displaying what KHRUSHCHEV, the Soviet Union, and communism really stood for and had done to a number of the European nations. ROCKWELL explained that RUSSELL MAGUIRE who owns the "American Mercury" magazine of New York, New York, would finance the cost of sending this exhibit throughout the United States as described above. ROCKWELL commented that MAGUIRE was worth approximately \$80,000,000 having made that amount principally in the oil industry.

[redacted] ROCKWELL appeared to be a zealot about the "Jews" and commented how anti-Semitic he was.

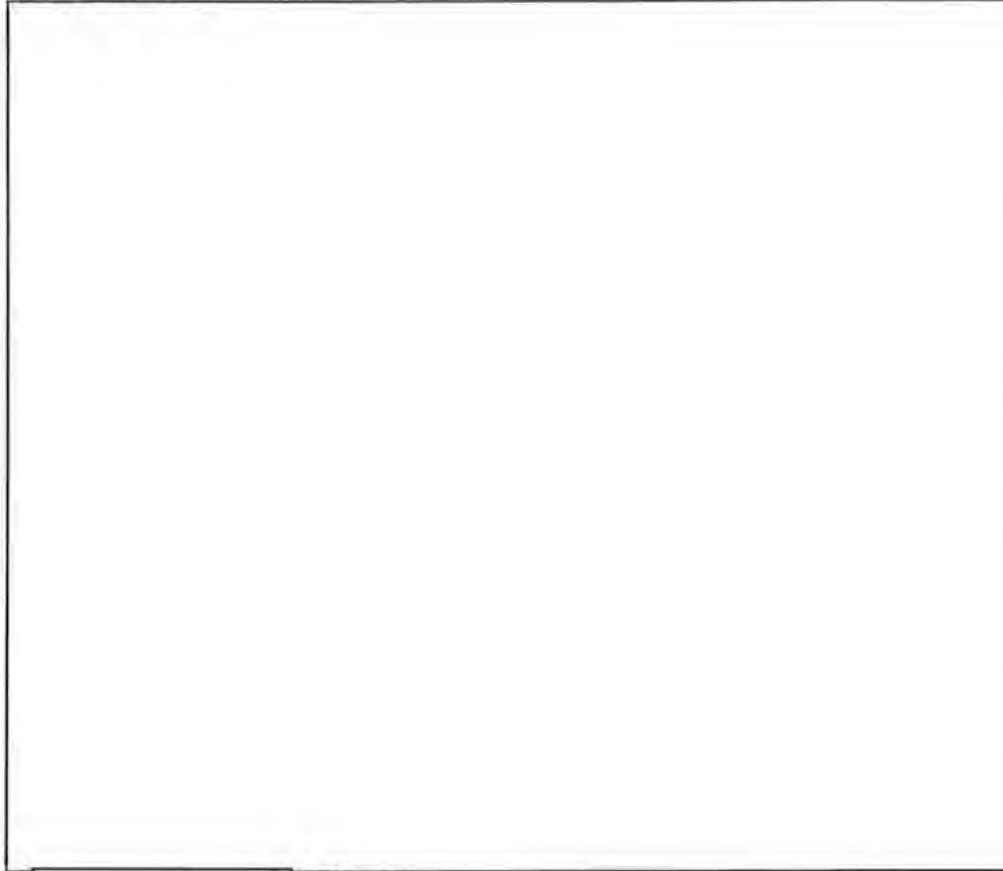

[redacted] not commit himself one way or another to ROCKWELL and ROCKWELL stated that [redacted] interested in the above project, he should contact ROCKWELL.

[redacted] he had not heard from ROCKWELL since then and he did not know whether ROCKWELL was still interested in the above project or not. [redacted] that the above exhibit was scheduled to be shipped to Australia in the immediate future, or it might have already been sent and he doubted if the exhibit was currently available for duplicating as mentioned above. [redacted] however, that he had learned from the ACEN that the exhibit could be duplicated and would cost approximately \$600 to do so.

[redacted] he had contacted a friend of his, [redacted] who is a [redacted] and who was formerly employed with the "American Mercury" magazine [redacted]

[redacted] stated that he had terminated his employment with the magazine because it was so anti-Semitic. [redacted] he also found out that RUSSELL MAGUIRE, the owner of the magazine, is not worth \$80,000,000.

Also on September 2, 1959, [redacted] when ROCKWELL came [redacted] office, as mentioned above, it was the first time [redacted] met ROCKWELL. ROCKWELL commented that the reason he was "anti-Semitic" was because the "Jews" had caused him to loose a magazine which he formerly published known as "The United States Lady". ROCKWELL commented he had not been "anti-Semitic" until he was forced to give up this magazine [redacted]

[redacted] (S)

On September 5, 1959, [redacted] advised that FLOYD FLEMING had stated on that date that a man named [redacted] (phonetic) who lived on [redacted] Washington, D. C., was the man financing ROCKWELL and his men. FLEMING stated that this man paid for a trip of ROCKWELL's and J. V. MORGAN's to a meeting of "Nazi's" in Pennsylvania. FLEMING stated that this man has a luxurious apartment and seemed to be a man of mystery. ROCKWELL according to FLEMING stated that [redacted] was a better man than he, and that ROCKWELL said he would respect and bow to such a man.

"I would simply be repeating myself if I again went over the ideals of the Party to exterminate the Jewish race and the Negroes back to Africa - extermination of the Jews to be attained by most any means but primarily through the use of gas chambers. "After a brief brain washing on the goals of the party he told me that the men [redacted] I had mentioned) would be the real leaders of the country once the Party came into control. This would take 3 to 5 years and possibly some would be killed during this time. Union Square on July 4th. He said that [] had been very busy in trying to interest the city's Jewish organizations into joining the SWP's forces for action in arousing the minority and working class community in the city for a counter-rally at the Square. The Jewish groups felt that the best policy was to ignore the whole thing. [] been busy in contacting the Park Department which has the Nazi request for a permit on file. He has been trying to find out if the Park Department was going to give LINCOLN ROCKWELL the permission and the police protection for holding the rally. The Park Department has not granted the permit as yet but [] were informed that the permit would be granted if ROCKWELL pressed his claim. The city would have to give permission because of the Supreme Court Decision in the Rosenberg case in which the Rosenberg committee had been refused permission by the City but the decision of the Court overruled the city.

[] that then he contacted [] and that a new committee had been formed called The Committee to Combat Racial Defamation with [] chairman and [] secretary (representing the youth of N.Y. Youth Committee For Integration). This committee is soliciting names of prominent people for a broad coalition on the left to sponsor an anti-Fascist front. [] that the names on this committee meant very little since it will be the SWP and its forces and allies and whatever the party and the youth can muster that will fill the Square for a counter-rally. [] already applied for a permit from the Park Dept. to hold the rally on July 4th from the hours of 11 to 2 just prior to the Nazi rally. [] the party will devote a large part of the next issue of The Militant to the Nazi rally and will have mass distributions throughout the key areas of the city such as Harlem, Lower East Side, Garment Center, Brooklyn, etc. of both the Militant and party leaflets. [] names of all those who will distribute Militants and leaflets from Saturday through Wednesday throughout the city.

NY 100-97078

The big problem, [] was in the doubt as to whether the City Park Dept. and the Wagner administration would grant the permit to the Nazis. If the permit is denied and there is no rally, the party would have to decide whether to hold the committee rally anyway as a July 4th anti-fascist, anti-racist rally which has its merits. He stressed his own view that he did not consider ROCKWELL's group in any way a serious fascist threat but that the time to fight fascism was when it rears its head, not when it has grown out of hand. He stressed that the SWP must take the lead as it has on so many other occasions when there was any movement or ferment on the left or right wing attacks. He said the SWP is getting the reputation of being a fighting radical party and in this way has taken over the role of the C.P. which in former years, prior to the Khrushchev revelations, played this vanguard role.

In the questioning period, [] that the Committee to Combat Racial Defamation was a committee of names to give the impression of a broad base but that the persons at this meeting and the youth and the contacts and the working masses that will be drawn to the rally at Union Square (SWP rally) will constitute the real action part of the committee. He expressed here a hope that some of the youth would be able to influence the more aggressive youthful & hoodlum elements among the Negro, Puerto Rican & Jewish elements in Harlem, Greenwich Village, Lower East Side, etc. to attend the rally and physically respond to the Nazis and some violence would ensue. This was greeted with laughter & applause of the comrades. He stressed that to a large extent filling the Square with the people of this character was the task of the youth (YSA) and indeed the success of the rally would be mostly in the hands of the youth.

[] report. He said that the Militant sub drive had passed its quota and 187 new subs had been obtained. He urged the comrades to raise the local's quota of subs to 250 by the deadline of July 15th. This was passed. He announced the

NY 100-97078

next Militant forum [] to be given by []
He read a letter from the camp urging everyone who cannot take his vacation in August when the party will need to muster all its forces for the petitioning to get the party on the ballot, to take their vacations in June and spend it at Mountain Spring camp in order to ensure the financial ability of the party to have the Trotsky School next fall.

He described the difficulties involved in getting the SWP on the ballot in New York State and how essential it was that the party not fail. He told of the success, through a communication from [] of the first successful street rally of the SWP in Greenwich Village on Tuesday evening at 8th St. & Mac Dougal. He urged more comrades to get behind the street rally. Among speakers at the rally were, PAUL, LEO ADLER and GEORGE LARRABEE. He said there will be a street rally there every Tuesday.

[] went on to answer some of the criticisms of the party that had come up in the branch discussion of electoral policy. He turned down the suggestion that an approach be made to the Marcyites for help in getting the party on the ballot giving as reason the hostility of the Marcyites to the SWP positions especially on Cuba and the fear of turning to [] for help might be interpreted by the Marcyites as a sign of SWP weakness. He suggested instead the possibility of approaching some of the Buffalo people on an individual basis. He declined the suggestion about leaflets in Spanish as being too costly.

[] protested this decision saying that the local had a duty to try to reach the Spanish speaking community both Puerto Rican and Cuban especially after [] tour to Cuba and the Militant's pro-Castro stand. He further suggested the Militant have a page in Spanish and that individuals from the party join and become associated in Spanish speaking clubs in the city.

It is noted that the June 13, 1960, issue of "The Militant" confirms the information furnished by the informant in the above report.

In addition to the above, an article appearing in this issue, entitled "Expect 'Sit-In' Youth Will Join NY Rally," discloses that FRED MAZELIS, secretary of the Committee to Protest Racial Defamation, has stated that a preliminary survey indicates that the youth who have been active in the sit-in demonstrations in NYC in relation to the protest of a Woolworth store lunch counter policies can be counted on to join in the anti-Nazi protest rally in Union Square on the 4th of July.

IEL Membership meeting

[REDACTED]

On [REDACTED] members of the IEL assembled [REDACTED] membership meeting. It came to my attention that the organization had on its agenda various topics for discussion. The first of these were the reading of the minutes which was omitted due to the absence of [REDACTED] happens to be the organization's [REDACTED]. The next topic on the agenda was a report by [REDACTED] concerning the new class that has been formed "America's Road to Socialism. [REDACTED] gave a short talk about the class, explaining the objectives and aims of the class, and further my attention was called to the strict assignments that would be given out each week by the instructor - [REDACTED]. The next topic on the agenda was a social report given by [REDACTED] which pertained to the different task each member has been assigned for the upcoming social of June 25, 1960 at the IEL headquarters.

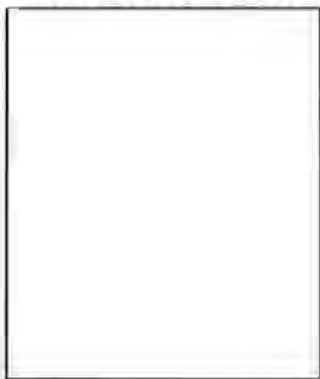

Further attention was called to an announcement made by [REDACTED] to the effect that during the week of June 25, 1960, ROBERT WILLIAMS of the North Carolina NAACP will be in town and it is the wish of [REDACTED] to try and arrange to have Mr. WILLIAMS speak at the IEL headquarters. Also, if it is possible to get Mr. WILLIAMS to speak the IEL will make special preparations to arrange a public announced Forum and have Mr. WILLIAMS as its principal speaker. It was further reported that Mr. WILLIAMS has just returned from Cuba on a visit requested by the Cuban government; also it was reported that Mr. WILLIAMS is in accord and supports the Cuban revolution and the CASTRO regime. It was decided by the membership that if Mr. WILLIAMS could not speak on Friday, June 24, 1960, then effort would be made to have him speak at the IEL

social and make it a Forum-Social, however [redacted] reminded the group that it was against the law to distribute leaflets advertising a social, but he suggested that announcements could be sent through the mail.

The meeting was later turned over to [redacted] SWP, who spoke about the coming to New York of a Facist group under the direction of OLIVER ROCKWELL, who is suppose to demonstrate in the Union Square area on July 4, 1960. My attention was called to Mr. ROCKWELLs background as a White Citizen Council member also other racists groups to which he has belonged. [redacted] reported that he had contacted various Jewish organizations in the New York area about their intentions on the coming of a Nazi group to New York City, however it was reported that they plan to ignore Mr. ROCKWELL and his group. On the other hand [redacted] is of the opinion that a counter demonstration should take place between the hours of 11 am to 2 pm, since the ROCKWELL group is schedule for 3 pm., further [redacted] feels that as a Fascists group they should be exposed to the public. [redacted] further reported that the capitalist government seem not to mind the existence of Fascism because the Fascists are a right arm of a capitalists government when a Labor or Workers party begin to take form. [redacted] also reported that everyone attending the demonstration should bring a good sized stick or something similar in order to be prepared for whatever might take place.

Another confidential informant who has furnished reliable information in the past advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS, stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The latter informant advised on August 9, 1960, that the main activity of the organization has consisted of picketing of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open-air talks by Rockwell attacking Jews as traitors to the United States. On July 3, 1960, and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. On the latter occasion sixteen other members of the American Nazi Party were also charged with disorderly conduct.

AMERICAN NAZI PARTY

"The Bucknellian," the official newspaper of Bucknell University, Lewisburg, Pa., on January 10, 1962, carried a story indicating that GEORGE LINCOLN ROCKWELL, Commander of the American Nazi Party, would speak on the campus January 31, 1962. The invitation for him to make this appearance was extended by the "Bucknell Student Forum" a student organization. The University, through Dean JOHN C. HAYWARD, Dean of Student Affairs, in the same article indicated the request was approved, in keeping with the University's policy of encouraging the pursuit of intellectual inquiry. He stated, "Approval of this request should in no way be interpreted as University approval of Mr. ROCKWELL or his philosophies. His appearance has been arranged entirely by the Student Forum and he will not be a guest of the University. Furthermore, the University will take no action to promote or otherwise support his appearance."

The "Sunbury Daily Item," published at Sunbury, Pa., HARRY H. HADDON, Editor, on January 17, 1962, carried a news story that the American Legion and VFW of Lewisburg had indicated they would lodge protests against ROCKWELL's appearance at Lewisburg.

Through a news release to the "Sunbury Daily Item," the Bucknell University Student Forum, through RICHARD W. PROBST, program chairman, announced the cancelling of its invitation to ROCKWELL to speak on the night of January 31, 1962, at Davis Gymnasium. The service organizations aided by the Daughters of the American Revolution and church groups in Lewisburg, had widely protested to the University permitting ROCKWELL to appear on campus. This appeared in the "Daily Item" on January 22, 1962.

AMERICAN NAZI PARTY

Dean HAYWARD in a statement that appeared in the "Sunbury Daily Item" on January 10, 1962, stated that the University did not approve of ROCKWELL and did not approve of the invitation to bring him to the campus. Although supporting the position, "that error can best be combatted by exposing every opinion openly, to the end that it may be measured against true values... The university does not approve Mr. ROCKWELL and his tenets. It does not approve the invitation to bring him here and it is disappointed in the judgment of those who sent it. It deplores the fact that he has been offered the platform of the student forum and will take no action to promote or otherwise support his appearance."

On January 29, 1962, GORDON HUFNAGLE, Chief of Police, Lewisburg, Pa., advised that two of ROCKWELL's "henchmen" CARL ALLEN and RAY JAMES were in Lewisburg on January 29, 1962, had talked to some of Bucknell's students and visited the Dean of Student Affairs, JOHN C. HAYWARD. These men advised that ROCKWELL intended to appear in Lewisburg and to speak in spite of the Student Forum's cancellation. They indicated that he might appear on Sunday, February 4, 1962, and further indicated they would wire the Borough officials as to the specific date and time of his appearance.

At 9:20 p.m., January 30, 1962, Chief of Police GORDON HUFNAGLE, Lewisburg, Pa., and [redacted] Pennsylvania State Police, Milton, Pa., which covers Lewisburg, Pa., were advised that [redacted] would leave Nazi Headquarters, Arlington, Va., about 11:00 p.m. on January 30, 1962, and proceed to Lewisburg, Pa., where he intended to distribute literature protesting the cancellation of ROCKWELL's speech. Further that ROCKWELL planned to leave Arlington at about 12:00 noon on January 31, 1962, and proceed to Lewisburg, where he will make an out-door speech as near to the Bucknell University campus as possible to personally protest the cancellation of his appearance at Bucknell which was scheduled for January 31, 1962.

On January 31, 1962, JOHN T. WHITEMAN, Reporter, "Sunbury Daily Item," at Lewisburg, Pa., advised that Nazi troopers ALLEN and JAMES appeared at the Editorial offices of

AMERICAN NAZI PARTY

his paper in Sunbury on January 31, 1962, and advised H.H. HADDON, the editor, that ROCKWELL would not appear in Lewisburg on January 31, 1962, due to the cold, inclement weather, but would appear in Lewisburg for a speech at 2:00 p.m. on Sunday, February 4, 1962. ALLEN and JAMES were in the Lewisburg area the night of January 30-31, 1962, distributing a large number of handbills advising of ROCKWELL's talk. This information was immediately furnished to Chief of Police HUFNAGLE and [redacted] the Pennsylvania State Police.

On January 31, 1962, SETH D. RYAN of Arlington, Va., was arrested in Sunbury, Pa., as he was distributing the aforementioned handbills. He was fined \$25.00 and spent a short time in the county jail at Sunbury until the fine was paid by his associates.

On February 2, 1962, [redacted] Borough of Lewisburg, advised that Borough officials on February 2, 1962, had dispatched the following telegram to ROCKWELL, "In view of present circumstances and expressed public sentiment Borough of Lewisburg advise you and your men to abandon any appearance in Lewisburg, Pa. There can be no guarantee of personal safety for you and your associates as Police Department of Borough cannot in any measure afford adequate protection."

On February 2, 1962, JOHN T. WHITEMAN, reporter, "Sunbury Daily Item," telephonically contacted ROCKWELL at Virginia and ROCKWELL read to him the following telegram which he was sending to the Borough officials of Lewisburg in reply to their telegram of the same date. "I appreciate your concern for my safety. I have already risked my life as a Navy flyer in combat and in two wars to protect my country, my Constitution and my people. In the past three years I have many times faced riotous mobs who were falsely agitated by infamous lies about me and my program and I have never yet been intimidated from what I believed was my duty nor have I run.

"I am coming to Lewisburg Sunday afternoon to make use of my Constitutional right to speak, a right which Lewisburg has already granted to Communist enemies of America. I will cooperate in every way with law enforcement officials to prevent or minimize any incidents. I will speak alone without signs, uniforms, or insignia and do not believe the people of Lewisburg will tolerate

AMERICAN NAZI PARTY

"any lynch mob activities. I shall place my entire group throughout any crowd which may appear and they will put any individual who commits an illegal act of violence or riot under citizen arrest and deliver such foolish individual to your proper authorities for prosecution. I sincerely regret the difficulties this situation is causing your community but it was started by the intellectual lynch mob which 'welcomed' BENJAMIN DAVIS, the Communist traitor, to Lewisburg and used pressure and terrorism to suppress the honest speech of an American citizen and veteran of almost 20 years service in the U.S. Navy. In defending my right to speak, Lewisburg defends our Constitution, its citizens and its honor. I cannot believe it will fail."

The contents of above telegram were immediately made known to Chief of Police GORDON HUFNAGLE and [redacted] the Pennsylvania State Police.

On Saturday morning, February 3, 1962, Chief GORDON HUFNAGLE and [redacted] were advised that someone from the American Nazi Party would depart Arlington, Va., for Lewisburg on February 3, 1962, with an assignment to distribute American Nazi Party literature. Another group was also destined for Lewisburg on February 4, 1962, in two or three cars. ROCKWELL was believed to be included in the latter group. One car that might be used was a red colored Ford, 1956 model, Virginia registration [redacted] registered to [redacted] Arlington, Va., a known American Nazi Party member.

At 12:25 a.m., February 4, 1962, Chief of Police GORDON HUFNAGLE and [redacted] Pennsylvania State Police, were advised of the following: GEORGE LINCOLN ROCKWELL planned to leave American Nazi Party Headquarters, Arlington, Va., February 4, 1962, via autos bearing Virginia license [redacted] a 1960 Chevrolet two-door, the property of [redacted] Virginia license [redacted] a 1956 Plymouth four-door, the property of BRENT HOWELL BELL, and Virginia license [redacted] a 1960 Pontiac, the property of [redacted]. The cars were to leave Arlington between 8:30 a.m. and 8:45 a.m. ROCKWELL hoped thirty American Nazi Party sympathizers at Lewisburg will join the ten or twelve Arlington American Nazi Party members on arrival.

AMERICAN NAZI PARTY

b7C

On February 4, 1962, cars bearing Virginia registrations [redacted] were observed parked on the east side of 3rd Street, immediately north of Market Street, Lewisburg, Pa. ROCKWELL appeared at this location at 1:40 p.m. on February 4, 1962, and discussed his proposed speech with Chief of Police GORDON HUFNAGLE and Mayor TOM SUMMERS of Lewisburg. He demanded a place to speak and was told no adequate facilities were available. He then asked if he was being denied his Constitutional right to speak and began citing the Federal law guaranteeing him this right. He was told that his right was not being denied, that adequate facilities were not available to him. Someone in the crowd then mentioned the "monument," a civil war monument located at South 3rd and St. George Streets, in Lewisburg, at which point ROCKWELL and his followers began marching to this location followed by the crowd that had gathered to hear his talk. ROCKWELL began talking at 1:58 p.m. and terminated his talk at 2:10 p.m. In the short time that he talked ROCKWELL made mention of the visit of BENJAMIN DAVIS to Bucknell, claimed he was talking to warn the citizenry of the danger from Communism. He claimed that his movement was not designed to overthrow the government of the United States but to fight communism and its dangers. He also mentioned being in the service for nearly 20 years. He claimed he bore no malice against Jews as a race and said he had with him LEONARD HOLSTEIN, whom he identified as being of Jewish extraction and who is his West Coast representative. He attempted to point out that HARRY DEXTER WHITE, appointed to a treasury post by President TRUMAN, was a communist spy. ROCKWELL then cut off his talk by saying he had "no prayer of convincing a mob such as this" and vowed he would return to Lewisburg at a later date. ROCKWELL had no speaker's platform or amplification system and only a minority of those in attendance could hear his speech. At 2:30 p.m. the police placed him and his associates in a van and escorted them out of Lewisburg to their waiting cars. He did not announce his immediate intentions but stated he would return and give a speech at a later date with better facilities.

Approximately 1,500 people were in attendance for his speech, comprised mainly of Bucknell Students and local curiosity seekers. There were no incidents, fights or riots.

AMERICAN NAZI PARTY

The affair was covered by the Lewisburg Police, Pennsylvania State Police and off-duty policemen and Sheriff's deputies from the surrounding communities. The affair was covered by the wire services and local T.V. news men.

On February 5, 1962, JOHN T. WHITEMAN, reporter, "Sunbury Daily Item," telephonically contacted ROCKWELL at Arlington, Va., and ROCKWELL informed him he intended to file in Federal Court, Lewisburg, a writ of mandamus on the Right of Free Speech article in the Bill of Rights. He also termed his trip to Lewisburg as a "success." He further indicated that he would file an appeal in Northumberland County Court in behalf of "Captain SETH D. RYAN," who had been arrested in that city in connection with the distribution of handbills. ROCKWELL also indicated to WHITEMAN that he would demand from the "Daily Item" a retraction of a "libelous" letter to the editor over the signature of Attorney JOSEPH INGHAM, a Selinsgrove attorney, which appeared in the February 3, 1962, issue of the newspaper. In the letter ROCKWELL avers INGHAM stated that the American Nazi Party was subversive and advocated overthrow of the government of the United States.

HERMAN REICH, Law Clerk, United States District Judge FREDERICK V. FOLLMER, Middle District of Pennsylvania, at Lewisburg, Pa., on February 6, 1962, advised no petition for the issuance of a writ of mandamus had been received by the Court.

REGISTRATION ACT

2-801 BY 60267NLSPTM

Synopsis:

GEORGE LINCOLN ROCKWELL traveled to Gloucestershire, England, where he attended meeting of National Socialist Movement. He agreed with COLIN JORDAN and JOHN TYNDALL to form an International Nazi Movement. He was deported from England. Upon return to United States, he typed a document which he entitled the Cotswold Agreements. He released copies of this document to the press stating it had been signed by representatives of several foreign countries during his trip to England. He admitted to Agents of the FBI that document had not been signed, but that he intends to form an International Nazi Movement.

- P -

DETAILS:

A foreign source abroad furnished the following information regarding the National Socialist Movement (NSM):

At a camp meeting held in Gloucestershire, England, GEORGE LINCOLN ROCKWELL, who was identified to members of the camp as leader of the American Nazi Party (ANP), was present at the camp on August 4 and 5, 1962. During this period, the "International Nazi Movement" was formed with COLIN JORDAN, who is leader of NSM, as the Fuehrer and ROCKWELL as Deputy Fuehrer.

At the camp, ROCKWELL advanced the idea that photographs should be taken of himself so that they could be sold to newspapers and in this way ROCKWELL could make expenses for this trip.

Source stated the NSM is affiliated with the "Northern European Ring", which is a title used by various fascist groups in Northern Europe.

The NSM held a camp meeting in Gloucestershire, England, from August 3, 1962 until it was broken up by action of local citizens on August 8, 1962.

ROCKWELL arrived at Shannon Airport, Eire, from Boston, Massachusetts, on Aer Lingus flight on July 29, 1962. He crossed from Eire to Northern Ireland at Monaghams and completed his journey into England via Belfast, Northern Ireland, landing at Heysham, England.

From August 1 through 4, 1962, ROCKWELL stayed at the Manchester Hotel, Cheltenham, England, under the name G. HENDERSON.

ROCKWELL arrived at NSM camp meeting about 2:00 P.M., on August 4, 1962, and departed on the evening of August 5, 1962. During the period ROCKWELL was at camp, he made several speeches, the text of which was unknown.

ROCKWELL's whereabouts in England from August 5 to August 8, 1962 were unknown.

On August 7, 1962, the British Home Office, issued a Deportation Order "for the public good" under (2) (B) of Article 20 of the British Aliens Order Act of 1953, which stated that ROCKWELL should be deported from the United Kingdom and that he remains out of the United Kingdom.

On August 8, 1962, at 10:10 P.M., ROCKWELL was arrested in London, England, and on August 9, 1962, he departed London Airport via Pan-American Flight 57 at 10:30 A.M., destined for the United States. At the time of ROCKWELL's arrest, he had in his possession \$70.00 (U. S. money), and 120 pounds (sterling). The fare of 94 pounds, 13 shillings, sterling, was taken from ROCKWELL to pay for his deportation to the United States.

FEDERAL BUREAU OF INVESTIGATION

-1-

Date 9/24/62

GEORGE LINCOLN ROCKWELL was interviewed at the Headquarters of the American Nazi Party, 928 North Randolph Street, in the presence of KARL ROGERS ALLEN, JR. At the outset, ROCKWELL was advised he did not have to make a statement, that any statement he made could be used in a court of law against him, and that he had the right to the advice of an attorney. ROCKWELL indicated that he recognized the interviewers as Special Agents of the Federal Bureau of Investigation.

Mr. ROCKWELL was informed this interview was being conducted to determine if he had violated the Foreign Agents Registration Act of 1938, as amended. Mr. ROCKWELL said he was completely familiar with the provisions of this act and has studied it to insure that he would not be in violation of it.

Mr. ROCKWELL acknowledged that he released a statement to the press saying he had signed an agreement at Cotswold, England, forming an International Organization called the World Union of National Socialists (WUNS). He said this statement was not true and he did not feel that statements made to the press had to be true. He said he did not sign such an agreement and no one else has signed any agreement of this nature. He gave the interviewers a copy of the "First Working Draught of the Cotswold Agreements".

He said he typed this document at ANP Headquarters on legal paper just prior to releasing printed copies of the document to the press. He said he made the press release for publicity purposes in the hope that it would harass people of the Jewish faith.

It was noted on page 5 of the Cotswold Agreements, the following statement appears, "Agreed to at Cotswold, England, this fifth day of August, 1962."

"

For British National Socialist Movement

"

For American Nazi Party

On 9/20/62 at Arlington, Virginia File # Richmond 97-69
 by SA [redacted] nd / mkb Date dictated 9/21/62

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

"
For Belgium National Socialist Movement
 "
For French National Socialist
 "
For First German National Socialist Hundred
 "
For Austrian National Socialists
 "

Mr. ROCKWELL advised he put this in the document to make it look impressive and to further the ruse. He said he used the countries set forth above because the meeting at Cotswold, England, was in the nature of an annual camp-out held by the Northern European Ring. He said this was the third annual camp-out. In attendance were COLIN JORDAN and JOHN TYNDALL of England, a young boy and his mother from Belgium, one man from Germany, one man from Austria and a woman from France.

He said he talked to JORDAN and TYNDALL in a tent at the camp. They spoke of forming an International Nazi Movement. During these talks at Cotswold, he jotted down notes on scraps of paper; however, no formal agreements were reached at this time. He said the three of them verbally agreed to form WUNS or some type of World Nazi Movement. When such a group is formed, ROCKWELL said he will be active in it.

ROCKWELL noted that when he returned from England, he did not have the notes he took while in the tent at Cotswold. He said he believed they were confiscated by Scotland Yard when he was arrested and subsequently deported from England.

ROCKWELL said he decided to call COLIN JORDAN the International Leader of WUNS and refer to England as the International Headquarters; however, since the agreement is unsigned, he will review the Foreign Agents Registration Act to determine the most beneficial manner for establishing headquarters. He said neither JORDAN nor any member set forth

in the Cotswold Agreements has ordered, instructed or requested ROCKWELL to do anything as a member of the organization. He said the only possible exception to this statement might be that COLIN JORDAN sent a letter to ANP saying that the British press requested copies of the Cotswold Agreements and therefore JORDAN wanted several copies forwarded to England. ROCKWELL said ANP sent five copies of the agreement. He said the sending of these letters and the printing of the Cotswold Agreements are the only actions he has taken since his return from England in an attempt to solidify a world group of Nazis.

ROCKWELL said he is presently considering making himself the International Commander with Headquarters in the United States. He said whatever plans are finally made, his international Nazi movement will be legally constituted and he will register in accordance with the Foreign Agents Registration Act if necessary.

It was noted that the Cotswold Agreements called for each member to submit "Action Reports" every fortnight. ROCKWELL said no action has been taken to comply with this portion of the agreement.

It was noted that the Cotswold Agreements stated that members would supply information to the International Headquarters and that this information would be sent to the American Nazi Party Headquarters where it would be edited and lithographic plates made and sent to each member. ROCKWELL said nothing has been done by any would-be member of WUNS to comply with this portion of the agreement.

It was noted that ROCKWELL went to Canada in the recent past. He said he went to Canada for propaganda purposes only. He said he had just finished a brief vacation in New Hampshire. A friend drove him across the border into Canada and to Montreal. He said he conducted no business at Montreal regarding American Nazi Party or regarding WUNS.

ROCKWELL said no financial arrangements have been transacted or made between ROCKWELL and WUNS, WUNS and ROCKWELL, any member identified on the Cotswold Agreements and ROCKWELL or any member of ANP under ROCKWELL's direction and WUNS and/or its would-be members. ROCKWELL said he told COLIN JORDAN and

TYNDALL that he thought they should contribute to a "joint kitty", but JORDAN and TYNDALL said they had no money therefore it was impossible at this time.

ROCKWELL said he believed the Movimento Sociale Italiano - Rome, Italy, sends literature to ANP. He said he had no further information regarding this organization. He said he has heard of [redacted] but did not know him as a representative of Movimento Sociale Italiano. He said he has never distributed any literature for this organization or acted as an agent for it.

ROCKWELL explained what he meant by certain words and phrases set forth in the Cotswold Agreements, i.e.:

Under the heading of purposes for the organization of WUNS and under a further heading captioned "Immediate", the term "Combat - efficient" is used. ROCKWELL said he used this term meaning combat from a defensive standpoint only. He said he would not allow any aggressive acts to be taken by any persons with whom he associates.

Further under the same caption, the phrase "Combat and utterly destroy..." appeared. ROCKWELL said this phrase means that those who are convicted under due process of the law on a charge of treason should be sent to the gas chamber. Again he said combat does not mean physical violence.

Under the caption "Eventual" purposes, the phrase "... just and final settlement of the Jewish problem" appears. It was noted ROCKWELL has made statements that Jews should be sent to the gas chamber and he was asked if this is the settlement to which he was referring. ROCKWELL said this phrase meant a solution conducted through scientific study and legally handled. He said he did not advocate gas chamber for all Jews, only those guilty of Communist Zionist treason.

The following phrases appeared under the general heading "Agreed Ideas and Statements":

Section 1 under this heading contains the phrase "International Jewish power...nor can it be destroyed by any 'cultural ring'...only by a COUNTER REVOLUTIONARY INTERNATIONAL POWER-APPARATUS OF MILITANT WHITE MEN!" ROCKWELL explained this

verbage does not mean militant in a military manner. He said militant means only dedicated men and a revolution by political means. He again reiterated his only idea of taking up arms would be in defense of himself or any member of his party.

Item #2 under this caption contains the phrase "Fighting LEADER". ROCKWELL said this verbage means a person who is willing to defend his ideals but not one who is going to physically combat any person or country.

Item #4 under this heading contains the following verbage: "...FIGHTING unity of our race, a unity such as the Jews have brilliantly maintained for six thousand years". It was noted ROCKWELL has accused the Jewish people of starting wars in the past; therefore ROCKWELL was asked if he meant that WUNS would start wars. ROCKWELL said this verbage meant that any time a disloyal person attacked a legally constituted governmental authority, WUNS would stand together and defend existing principles.

Item #7 under this caption contains verbage: "...Acknowledge spiritual leadership of Adolf Hitler...". ROCKWELL explained this phrase as meaning it would exclude cowardly type Nazis who did not want to admit that they truly believed in the socialistic ideologies of ADOLF HITLER. He said this phrase does not mean that he is trying to reactivate the Nazi Party which was active in the United States prior to World War II.

Item #8 contains the phrase "...TOUGH, FIGHTING...". ROCKWELL again defined this verbage as meaning defensive fighting only.

Item #9 under this caption contains the phrase "Where two or more organizations in one nation seek admittance, they will be required to fight it out...". ROCKWELL said this phrase means a political battle wherein no arms or violence would be involved.

Item #20 under this caption contains the phrase "...Jewish Marxist ideas of 'class warfare'". ROCKWELL explained this phrase as meaning that WUNS will destroy this ideology through propaganda and through legal means only.

Rockwell Quits Home In Arlington

George Lincoln Rockwell, evicted from his home at 6512 Williamsburg blvd., Arlington, moved into temporary obscurity yesterday without a press to print anti-Jewish literature.

Rockwell, self-styled Nazi, moved to a log cabin off Hoopes rd. near the Sydenhacker Church in the Springfield area of Fairfax County.

Rockwell was evicted by the owner of the house, his former benefactor, Harold N. Arrowsmith Jr., of Baltimore, who also owns the press and other printing materials used by Rockwell. Arrowsmith said he plans to put the house on the market and sell the printing equipment.

Mrs. Lane's Affidavit Backs Rockwell Suit

An affidavit from Mrs. Helen S. Lane, member of the Arlington County School Board, has been submitted to Baltimore Superior Court in behalf of George Lincoln Rockwell.

Mrs. Lane declared in the affidavit that the anti-Jewish leader, who boasts he is a Nazi and Hitlerite, is "a person of high moral character and personal integrity."

The school board member, however, stated in the affidavit that she disapproves of his political extremism.

The affidavit was filed in conjunction with a \$500,000 libel suit Mr. Rockwell instigated April 29 against his former financial ally, Harold N. Arrowsmith, Jr., of Baltimore.

Whether an Arab official once appeared at Mr. Rockwell's home at 6512 Williamsburg boulevard in Arlington is an issue in the suit.

Resignation Was Demanded

Mrs. Lane said in the affidavit that she was present last summer in the house, which Mr. Rockwell calls "Nazi Headquarters," when Mr. Arrowsmith introduced an Arab, whom he represented as being attached to the United Arab Republic Embassy in Washington.

She also said she has known Mr. Rockwell more than four years and considers his character such that he would not engage in any felonious activity.

Asked about her action, Mrs. Lane replied yesterday, "I thought it was only fair to say what I knew to be true."

The B'nai B'rith last fall demanded that Mrs. Lane resign from the school board after her name was linked to the Rockwell family.

She said at the time that

she rejects his anti-Jewish "ideology" and said her association with him and his wife had been purely personal.

Mr. Rockwell calls himself a disciple of Adolf Hitler.

Police raided his home April 22 and seized a swastika flag, weapons and Nazi literature.

Trial Set June 8

They charged the 41-year-old former Navy fighter pilot with maintaining a public nuisance and disturbing the peace. His trial in Circuit Court has been set for June 8.

Mr. Rockwell and Mr. Arrowsmith, a wealthy Baltimore investor, several months ago became embroiled in a court dispute over the Arlington house which Mr. Rockwell claimed he contracted to buy through financing provided by Mr. Arrowsmith. The case was settled out of court with the stipulation that Mr. Rockwell vacate the house by June 21.

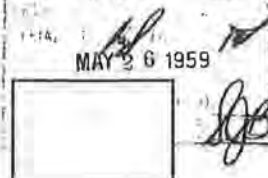

In the Baltimore suit, Mr. Rockwell contends that he was libeled by Mr. Arrowsmith through statements which were printed in newspapers. Several affidavits, including one from Mrs. Lane, have been filed in support of the suit.

He informed that the display was similar in appearance to the one he had observed previously; however, the present flag was not as large, and there was no red spotlight to illuminate it.

On April 30, 1959, at about 4:30 P.M., a 1953 Chevrolet convertible was observed in front of ROCKWELL's residence which bore 1959 Virginia license [redacted] This car is registered to [redacted] Alexandria, Virginia. The Alexandria City Directory reflects [redacted] at this address and lists his employment as being a [redacted]

On May 1, 1959, a 1956 Oldsmobile, pink in color, was observed parked in front of ROCKWELL's residence. The car bore Maryland license plates, number [redacted] The car is registered to [redacted] Baltimore, Maryland.

[redacted] stated that on May 1, 1959, ROCKWELL appeared in Circuit Court, Arlington, Virginia, with regard to the presentment made by the Grand Jury, charging him with maintaining a public nuisance and disorderly conduct. The appearance was to argue a motion to dismiss the presentment; however, Judge WALTER T. MCCARTHY rejected the dismissal plea and set June 8, 1959, as the trial date.

[redacted] while in court, ROCKWELL associated with an individual who it was ascertained was driving an old model car bearing Kentucky license number [redacted]

On May 6, 1959, [redacted] he had identified this individual as being [redacted] from Chicago, Illinois.

[redacted] Clarendon Trust Company, [redacted] Arlington, Virginia, on May 7, 1959, advised that on several occasions he has noticed a 1955 Chevrolet bearing District of Columbia license number [redacted] parked in front of the residence of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia.

RH 100-9667

On May 7, 1959, a 1956 Pontiac, bearing 1959 Virginia license number [redacted] was observed by SA [redacted] parked in the yard of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia.

[redacted] Virginia State Police, Engleside, Alexandria, Virginia, on May 15, 1959, advised that 1959 Virginia license number [redacted] was issued for a 1956 Chrysler registered to [redacted] Burke, Virginia.

[redacted] Arlington, Virginia, on April 16, 1959, advised that ROCKWELL has sued the Commonwealth Attorney WILLIAM J. HASSAN for libel in Arlington County Court. The suit filed was for \$1.00.

The Northern Virginia Sun, an Arlington, Virginia, newspaper, edition of April 16, 1959, reflected that Circuit Court Judge WILLIAM D. MEDLEY "ordered LINCOLN ROCKWELL, Arlington organizer of a Nazi-type movement, to produce his guns, Nazi swastika flag and Nazi armbands in court Monday". The article indicated that the Judge's order followed a request by the Commonwealth Attorney that the items be produced for use as evidence in ROCKWELL's \$1.00 libel suit.

The article continued stating, "Mr. ROCKWELL's suit claimed he was libeled by a reprint in The Sun of a radio talk in which Mr. HASSAN said there had been an attempt to 'indoc-trinate' Arlington students by 'foreign appearing and dressed individuals who are handing out foreign alien hate literature'."

The Evening Star, a Washington, D. C. newspaper, edition of April 20, 1959, reflected that the \$1.00 libel suit filed by ROCKWELL was continued until May 11, 1959, and that ROCKWELL who had been ordered to appear in Circuit Court with certain literature and Nazi-type paraphernalia, including Nazi flags, turned up only with the literature.

In order that ROCKWELL could keep the case alive until he returned with the required material, he moved for a dismissal without prejudice. Judge EMERY N. HOSMER instructed

RH 100-9667

ROCKWELL to file his motion with the clerk of the court and set May 11, 1959, for arguing the motion and the original suit.

b7C [redacted] Arlington, Virginia, on April 20, 1959, advised that the Commonwealth Attorney of Arlington County, Virginia, was presenting a matter to the Grand Jury regarding ROCKWELL in order to determine if there is sufficient evidence to obtain an indictment against ROCKWELL for maintaining a public nuisance and disorderly conduct.

[redacted] on April 22, 1959, advised that the Grand Jury had made a presentment regarding ROCKWELL charging him with maintaining a "public nuisance."

An article which appeared in The Northern Virginia Sun, an Arlington, Virginia, newspaper, edition of April 22, 1959, reflected that "GEORGE LINCOLN ROCKWELL, self-styled 'commander' of a self-promoted 'Nazi' organization, last night was stripped of the Nazi banners and swastikas, Hitlerian and anti-Jewish tracts, weapons and other paraphernalia, he used to run what the Grand Jury charged yesterday was a 'public nuisance' in his house."

The article indicated that the Arlington County Police led by Captain RAYMOND S. COLE and Commonwealth Attorney WILLIAM J. HASSAN, raided the residence of ROCKWELL at 6512 Williamsburg Boulevard, Arlington, Virginia at 7:00 P.M., April 21, 1959. They were armed with a search warrant issued by Circuit Court Judge WALTER T. MCCARTHY after the grand jury returned a two-count presentment against ROCKWELL.

The presentment, which is what an indictment for a misdemeanor is called, indicated that ROCKWELL had persisted in maintaining a "public nuisance" at his home, and had acted to "correct public morals and outrage the sense of decency of others". Conviction on the nuisance violation carries a fine up to \$5000.00.

The article indicates that the first count of the presentment charged that ROCKWELL,

"Displayed in his front yard a 'foreign, alien-type swastika'; Since March 15th, produced and distributed at his home 'un-American hate literature, designed to incite riot, cause consternation and alarm and create a breach of the peace;

Encourage children to congregate, causing serious traffic hazards on the highway outside his home;

Carried firearms and 'displayed them in a threatening manner' and permitted his associates to do the same;

Stopped and 'illegally searched vehicles' on Williamsburg Boulevard;

Displayed himself and his aides in 'Storm Trooper' uniforms 'thereby causing terror and alarm' to the citizens and indicating by his acts he advocates 'the principles and policies of ADOLPH HITLER and the Third Reich of Germany';

After receiving threats of bodily harm, encouraged minors to congregate at his home;

Permitted situations to exist that endangered health, safety and welfare."

The Northern Virginia Sun, an Arlington, Virginia, newspaper, edition of April 25, 1959, revealed that Circuit Judge WALTER T. McCARTHY on April 24, 1959, named an 'amicus curae' to help him weigh the 'sufficiency' of the 'public nuisance' presentment against ROCKWELL, but ordered held the bulk of the material seized by police raiders in his home.

ROCKWELL, who represented himself in court, asked the court to dismiss the charges and to return the Nazi

RH 100-9667

paraphernalia, Hitlerian and anti-Jewish literature, and other items seized by authorities armed with a search warrant.

Judge McCARTHY refused to 'suppress' as evidence, and ordered held the Nazi banner, swastika, arm-bands, guns, a gas pencil, clubs, some Nazi and anti-Jewish tracts, and other material.

ROCKWELL's motion to dismiss the presentment and suppress the evidence were continued until May 4, 1959. A report on the 'sufficiency' of the presentment is also to be made then.

An article which appeared in the Evening Star, a Washington, D. C., newspaper, edition of May 4, 1959, revealed that Arlington Circuit Judge WALTER T. McCARTHY refused to dismiss the charges of maintaining a public nuisance and disorderly conduct against ROCKWELL, and that ROCKWELL stated the charges against him amounted to political prosecution.

The article indicated that Attorney CHARLES S. RUSSELL appointed by Judge McCARTHY as a 'friend of the court' in the case, said that more specific facts should be filed with the court before the case is tried and that the case probably would raise constitutional questions of freedom of speech and freedom of association and that the charges contained in the presentment dealt in 'generalities'.

RUSSELL stated that further legal documents should be submitted before the charges would be specific enough for a trial. He stated the presentment can be influenced by "prejudice or anger or indignation" and possibly not constitute a crime.

WILLIAM J. HASSAN, Commonwealth Attorney, stated the authorities were not concerned with ROCKWELL's beliefs but with the manner in which he carried them out as there are rights of the community which must be protected.

RH 100-9667

The article further indicated that ROCKWELL advised the Judge that HASSAN "is under considerable pressure to get a conviction" because his "political headquarters" may be unpopular.

[redacted] Arlington, Virginia, on May 4, 1959, advised that the Judge of Arlington County Circuit Court had set June 8, 1959, as the trial date in this case.

MISCELLANEOUS DATA

[redacted]

DETAILS: On March 11, 1959, Memphis Confidential Informant [] advised SA [] of the Washington Field Office of the FBI that on September 25, 1958, subject had been contacted, for unknown reasons, by D. M. Shy, Incorporated, Memphis, Tennessee; that on January 28, 1959, subject had contacted an unknown person or persons at Nashville, Tennessee, Telephone []

The following investigation was conducted in Memphis on November 5, 1958 by SA [] in connection with another investigation:

On November 5, 1958, [] the D. M. Shy, Inc., 1331 Union Avenue, Memphis, an air conditioning sales and service firm, advised that the name GEORGE LINCOLN ROCKWELL meant nothing to him, and that he had never heard any of his employees mention him. He pointed out that [] the firm of D. M. Shy, Inc. until []

On November 5, 1958, [] of D. M. Shy, Inc., advised that she readily recalled GEORGE LINCOLN ROCKWELL. She pointed out that originally in the Summer of 1956, ROCKWELL had worked for a short period of time as a public relations man for "Campaign for 48 States" headed by a prominent Memphis and East Arkansas real estate operator and land owner, ROBERT G. SNOWDEN, a very reputable individual, and that SNOWDEN, then a personal friend of Mr. D. M. SHY, had referred ROCKWELL to the Shy Company to purchase two window type air conditioning units.

Records of D. M. Shy, Inc., as furnished [] showed that on July 30, 1956, one Commander G. L. ROCKWELL, then residing at Cole's Trailer Court, West Memphis, Arkansas, bought two window type air conditioning units, both being three-quarter ton type. He bought them on a twenty-four month conditional sales contract which was financed through the National Bank of Commerce, Memphis.

[] recalled at the time ROCKWELL was a "weekend warrior," being a pilot in the U. S. Naval Reserve, and that she felt that his reserve unit was centered at the U. S. Naval Air Station, Millington, Tennessee, a small community some twelve to eighteen miles north of Memphis. She recalled that ROCKWELL

Ms#97-33

did not remain in Memphis more than two or three months, having been fired by ROBERT SNOWDEN for reasons unknown to her, and that ROCKWELL filed a damage claim with regard to damage incurred to his air conditioners on September 19, 1956. He later fell in arrears on his payments and as of September 28, 1958, the D. H. Sny Company had to pay an unpaid balance on ROCKWELL's account of \$40.98 to the National Bank of Commerce.

In an effort to locate ROCKWELL to attempt to collect this \$40.98, [] wrote various letters, including a letter to the U. S. Naval Reserve Training Unit, U. S. Naval Air Station, Anacostia, District of Columbia. She exhibited a letter dated October 1, 1958 received by her office from the Naval Air Reserve Training Unit, U. S. Naval Air Station, Anacostia, D.C., stating that Commander LINCOLN G. ROCKWELL was terminated from a Reserve Unit at Anacostia at the N.A.U. on June 30, 1957; that his records were transferred to the Commandant, Fifth Naval District, Norfolk, Virginia; that his last known residence address was Lot 179, Metropolitan Trailer Park, Moonache, N. J. This letter was signed R.D. HARLAN, Lt. Commander, U. S. Naval Reserve, Anacostia, D. C.

[] stated that later, through [] of the Finance Department, National Bank of Commerce, she learned that ROCKWELL was residing at 6512 Williamsburg Blvd., Arlington, Virginia, and had Telephone No. JE 2-6677. She added that in late October, 1958, in an endeavor to collect the \$40.98 from ROCKWELL, she put through a collect person to person telephone call to ROCKWELL and much to her surprise he accepted the call. She stated he readily agreed to make payment on the \$40.98 balance and has since that time sent her \$20 in payment thereon. She stated she has had no further contact with ROCKWELL, knows nothing concerning his background and knows nothing concerning his activities or contacts or associates while he was in the Memphis area for approximately three months during 1956. b7C

On November 5, 1958, [] Credit Bureau of Memphis, Shrine Building, and [] the Consumers Credit Bureau, E & M Building, both Memphis, advised that the files of their respective agencies contained no reference to GEORGE LINCOLN ROCKWELL.

On November 5, 1958, ROBERT G. SNOWDEN, Memphis businessman and Arkansas planter, who identified himself as finance chairman of the Americans for Constitutional Action, with

Mem97-33

offices at Room 516, Cotton Exchange Building, Memphis, was interviewed concerning ROCKWELL. He stated that the Memphis affiliate of the Americans for Constitutional Action is known as the "Campaign for 48 States." He stated that the objectives of this non-partisan master organization are to "awaken Americans everywhere to the dangers that are facing us at home as well as abroad," and he described the dangers as an apathetic, public and run away spending which the Americans for Constitutional Action feels is pushing this country down the road to Socialism. Mr. SNOWDEN pointed out that during the past year the Campaign for 48 States has concentrated its efforts on trying to limit Federal spending and taxation. He stated that it has also sought to make possible amendments to the Constitution of the United States by any thirty-six states of the Union without the intervention of Congress. He stated the committee was the largest lobby in Washington, D. C. in 1957, spending a total of \$138,000. He stated that the organization was made up of conservative Americans, most of whom were prominent businessmen and professional men and pointed out that on the following day he would make a public pronouncement, announcing that Admiral H. M. MARTIN, U.S. Navy, Retired, would be appointed as Executive Director of the Campaign for 48 States. Mr. SNOWDEN readily recalled GEORGE LINCOLN ROCKWELL, stating that he had personally employed ROCKWELL with the Campaign for 48 States from July 1, 1956 until September 30, 1956 as an artist, sign painter writer and had fired ROCKWELL when he became convinced that ROCKWELL was insubordinate and a fanatic, lacking any semblance of common sense.

SNOWDEN recalled that ROCKWELL was a well educated man and had married the daughter of one of the former Finnish Ambassadors to the United States or to Iceland; he was not certain of the country, and recalled that ROCKWELL claimed to have met her while he was stationed in Iceland while in the U. S. Navy several years ago.

SNOWDEN stated he was originally introduced to ROCKWELL by [redacted] b7C
[redacted] Washington, D.C. SNOWDEN believed that [redacted] had originally met ROCKWELL through RICHARD AHRENS, former Committee Counsel for the Internal Security Subcommittee, Committee of the Judiciary, U. S. Senate, and currently to SNOWDEN's recollection, Counsel for the House Committee for Un-American Activities, U.S. House of Representatives.

SNOWDEN recalled that while ROCKWELL was in Memphis he lived in a trailer in a remote area of West Memphis, Arkansas, and was active in the U. S. Naval Reserve and at one time while in his employ went on a two weeks training cruise as a Naval Reserveman. SNOWDEN recalled that ROCKWELL had formerly published a military paper called the "U.S. Lady," a fashion paper aimed at wives of high ranking military officers and recalled that this magazine had been supported by the wife of General NATHAN TWining. ROCKWELL told SNOWDEN that he later sold a half interest in this magazine for \$90,000 following a lawsuit, place and circumstances not recalled by SNOWDEN. SNOWDEN recalled that when ROCKWELL left Memphis he claimed that he was going to work for one BILL STEPHENSON of Norfolk, Virginia, the publisher of a pro-segregation publication called "The Virginian."

SNOWDEN stated that he could not specifically recall the actions of ROCKWELL which caused him to believe ROCKWELL was a fanatic other than the fact that ROCKWELL seemed to be demented in that he suspected everyone who did not wholeheartedly agree with him of being pro-Communist. SNOWDEN further recalled that ROCKWELL was unduly suspicious of persons who SNOWDEN knew to be eminently loyal U.S. citizens. He further pointed out that ROCKWELL, while an unusually accomplished artist and idea man, was quite insubordinate, would not carry out instructions and proceeded to antagonize many of the well meaning substantial businessmen supporters of SNOWDEN and his organization. He stated he refused to tolerate such insubordination and forthwith fired ROCKWELL in early September, 1956, although he did pay ROCKWELL through September 30, 1956.

SNOWDEN stated he has not seen ROCKWELL since September of 1956, could not recall any of ROCKWELL's associates while he was in Memphis, and could recall nothing else concerning him. He stated that he had never known of any connection between ROCKWELL and any anti-Semitic hate groups in the United States, including Atlanta, Georgia.

Mr. SNOWDEN did exhibit some stationery of the American Federation of Conservative Organizations described as publishers of the "Conservative Times," return address, 1016 Arlington Building, Washington, D. C., which contained an autobiography of GEORGE LINCOLN ROCKWELL as furnished by ROCKWELL to SNOWDEN at the time ROCKWELL was hired by SNOWDEN. This showed ROCKWELL's full name as GEORGE LINCOLN ROCKWELL, born Bloomington,

In September, 1941, in connection with another FBI investigation, SA [redacted] interviewed [redacted] Vanderbilt University, concerning SANBORN who was the subject of one or more complaints indicating that he had a pro-German attitude. At that time, [redacted] stated that SANBORN had then been connected with Vanderbilt University for a period of 30 years. He stated that SANBORN had studied at the German universities prior to World War I and had more or less fallen in love with the German people, their mode of living, and their culture. He often discussed the Germany that he knew in glowing terms and stated that he thought that the treaty of Versailles was wrong. He did not realize that there had been a change in Germany. He was also extremely anti-British. After World War II started, SANBORN became most circumspect and desisted from expressing his sympathies for Germany. He stated that it was obvious that this country was an ally of Great Britain, and that he could not make any statements against his country.

In connection with another investigation conducted by the FBI on October 10, 1940, [redacted] foreign language department, Vanderbilt University, Nashville, advised SA [redacted] that BARON VON SPIEGEL, the German Consul General, at New Orleans, Louisiana had come to Nashville in the spring of 1940 and had a conference or meeting in the home of Dr. HERBERT SAN BORN, then a member of the German Department of the Vanderbilt University.

On June 22, 1959, this same source advised that in recent contacts with SANBORN, several opportunities had been given to SANBORN to mention ROCKWELL, but that apparently he was not well enough acquainted with ROCKWELL to recall having been in contact with him. The informant advised that SANBORN is about 81 years old, is easily led, very forgetful, and is senile. Informant, who is familiar with many phases of un-American activities, advised that in informant's concerted and considered opinion, SANBORN is loyal to the U. S.

On June 22, 1959, [redacted] Credit Bureau of Nashville, advised SA [redacted] that she has a record in her files concerning SANBORN dating back to 1920; that he was on the faculty of Vanderbilt University for more than 30 years and is now retired. No investigation is being conducted with respect to telephone calls made by subject to the Baltimore News Post, Baltimore, the switchboard, Baltimore County Court House, Towson, Maryland, or pay telephone at Gateway Restaurant, New Castle, Delaware, in view of the numerous telephone calls of a public nature received by these establishments and the lack of definite information as to the person or department called by subject.

On 9/13/51, ANDREW HOPPER, Charles Steffey Company, furnished this office information concerning impersonation of an FBI Agent resulting in the admonition of [] in this regard.

Baltimore desires to discreetly interview ANDREW J. HOPPER, 9th Avenue South, Glen Burnie, Maryland, to determine the purpose of ROCKWELL's contacts, and Bureau authority is requested for this interview. No contact is being made nor is interview being recommended with HAROLD NOEL ARROWSMITH, Jr., [] C. MAURICE WEIDEMEYER, or Lt. With respect to WEIDEMEYER, an attorney for the Maryland Petition Committee, a segregation organization, it is doubtful that interview would be productive in regard to ROCKWELL's activities as a foreign agent.

It is believed possible that interview of these persons would offer them an opportunity to embarrass the Bureau, which consideration outweighs any information they could or would furnish concerning the purpose of this investigation.

Arlington hate-monger... "Simultaneously ROCKWELL's picture appeared on the front page of NASSER's newspaper 'El Aharan' though in denial of reports that NASSER had anything to do with the American hate nest."

The "Northern Virginia Sun" newspaper, Arlington, Virginia, during October, 1958, carried several stories describing GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, as the source of considerable anti-Jewish activity and material.

(RAC) in February, 1959, advised that GEORGE LINCOLN ROCKWELL had organized a Nazi - type group known as the World Union of Free Enterprise National Socialists. The tenets of the group included the migration of Negroes to Africa and execution of Jews guilty of Zionist and communist treason. ROCKWELL is currently holding meetings of this group, and ROCKWELL claims to have supports in other cities in the United States according to the source.

ROCKWELL was born on 3-9-18 at Bloomington, Illinois, attended Hebron Academy in Maine in 1939 and Brown University, Providence, Rhode Island, served in the USN 1941-1945 and 1950-1954, and is a retired Commander, USNR. He was married on 10-3-53 in Iceland. He resides at above address.

Referenced Bureau letter instructed WFO to institute a registration act-type investigation concerning ROCKWELL to ascertain if he is actually engaged in activities on the behalf of the United Arab Republic (UAR) or any other foreign principal.

On 4-17-59 Registration Section, Internal Security Division, United States Department of Justice, advised SA that GEORGE LINCOLN ROCKWELL is not registered as an agent for the UAR, its Embassy, or any other foreign principal under the Foreign Agents Registration Act of 1938 as amended.

RE: GEORGE LINCOLN ROCKWELL

b7c
that George Lincoln Rockwell had stated on July 12, 1959, that a [redacted] had just returned from Cuba and that there were MIGs on the runways down there. Rockwell commented that he was going to follow this up to see if it were true. According to the informant, [redacted] who according to the informant, has attended meetings of the World Union of Free Enterprise National Socialists (WUFENS), stated if it were true, the group (WUFENS) should go to the Embassy of the Dominican Republic, Washington, D.C., and "volunteer help." Rockwell commented he had already started to look into this matter.

On February 27, 1959, the latter informant advised that George Lincoln Rockwell, 6512 Williamsburg Boulevard, Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists at his residence on February 26, 1959. Six persons were present and they, according to the informant, comprise the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

On March 26, 1959, Rockwell furnished Special Agents of the Federal Bureau of Investigation with a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, calls for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communism and Zionist treason.

On May 20, 1959, the latter informant advised that the officer corps still meets at the organization's headquarters at 6512 Williamsburg Boulevard, Arlington, Virginia, and that its main activity since its inception is the distribution of anti-Jewish material as well as material setting forth the program of the organization.

Regarding Rockwell, the "Washington Post and Times Herald," Washington, D. C. newspaper, for April 22, 1959, in a story on page A-1, describes him as a self-styled printer of anti-Jewish literature.

Concerning [redacted] b7c

ReBulet 7/15/59 which requested WFO to ascertain if [] made an error in listing telephone number as [] instead of [] Annapolis, Maryland.

WFO's letter of 5/13/59 reflects that according to [] ROCKWELL had 9 toll charges to [] Annapolis, Maryland, from 9/6/58, to 2/5/59, and 4 toll charges to [] Annapolis, Maryland, on 10/3, 17(two), 1958, and 2/24/59.

On 7/22/59, [] advised SA [] that the toll records for 10/3 and 17/58, have been destroyed. However, the records reflect that on 2/24/59, a dialed toll call was made at 8:40 p.m. for one minute to [] Annapolis, Maryland, and at 8:42 p.m. a dialed toll call for four minutes to [] Annapolis, Maryland, was made. [] stated it would appear that subject misdialed when he dialed [] added that it is a frequent error for a person after dialing the exchange [] to carry over the exchange number [] as the first digit of the remaining part of the telephone number. [] stated that under the new long distance direct dial system if a call is completed the equipment records in minute units and does not mean that subject talked for one minute to [] If subject was told he had the wrong number and he immediately terminated the call it would still record it as a one minute call since that is the smallest unit recordable.

Based on the above information it would appear that subject erroneously dialed [] and meant to dial [] (phone number of [] with whom subject is acquainted). Further since Baltimore and WFO are negative concerning [] it is not felt that he is acquainted with subject. Therefore WFO does not feel [] should be interviewed concerning subject in this matter. G-2, First Army, New York, advised on October 30, 1957, that [redacted] was interviewed

[redacted]

by representatives of CIC, New York, on [redacted] in connection with his completion of a Security Questionnaire on a Statement of Personal History, which was completed for the United States Government on [redacted]. The subject qualified the Statement of Personal History with the following remarks:

"I do not choose to fill out the above statement as it might tend to reflect adversely on my parents, relatives and associates".

[redacted]

The subject also qualified the Security Questionnaire with the following remarks:

"I have in the past and am currently corresponding with the Ku Klux Klan, the Association of Georgia Klans, and related organizations such as 'The Knights of the Ku Klux Klan'.

[redacted]

of race and racial history....I have also contributed small donations to the above organizations. The only services contributed are the preparation of [redacted] I have subscribed to bulletins and leaflets by the above organizations.

The interview of subject by CIC also reflected that, "During the interview not under oath, Juan denied membership in the KKK. However, he admitted association with the KKK and stated that he believed in some of their aims and policies.

[redacted]

[redacted] that he was in agreement with some of the principles of Fascism, although he never was a member of any Fascist organization. His response as to whether he believed a Fascist government would be a good thing was: 'I believe it would be beneficial to the American people. But if you mean by Fascism that which is advocated by Italy and Germany, I'm not advocating a European ideology. I believe in American nationalism.' [redacted] large portions of the South should be segregated and that completely independent Negro governments be established therein. He also believes that integration is going to be detrimental to both races because 'you are violating the will of the people and you are violating the fundamental biological laws.' He feels that all races should be segregated, and that the white race is obviously superior in the United States because 'it is an inevitable result of the processes of heredity and evolution.' His opinion of National Socialism in Germany under the Hitler regime was that, 'I believe it represented the will of the people and that the United States committed a great error in committing aggressive acts toward it and engaging in war with it.'

[redacted] even if there is no legal segregation, it still will take place by other means, namely the grouping together of people of similar origin. He would not like to serve in a non-segregated Army. His answer as to how he would feel serving under a Negro officer was: 'I wouldn't particularly like it. I would feel that it would violate certain ideological beliefs of mine.' Subject stated that Negroes, who have proven themselves in combat, should be put back in combat in all Negro divisions.

[redacted]

[redacted] denied membership in, or any affiliation with the Communist Party. When asked his opinion of Communism, Subject replied by saying: 'I am anti-Communist. I believe that Marxism is simply a product of a Jewish mind and is the other side of the coin of Christianity and Democracy, in that they are both egalitarian, they both appeal to the lowest element of people and they are both levelling and internationalist; and I am also not in agreement with their specifically materialist or rationalist 18th Century philosophy.'

1070 [redacted] was interviewed at the New York Office of the FBI on September 11, 1953 by SAS [redacted]

The subject related that he became interested in right-wing groups through information he had read in newspapers in New York City and had heard on the radio regarding these groups. He said this information in the papers and on the radio attacked the right-wing groups, but that he had wanted to find out the political philosophy of these right-wing groups. Subject said that since HAROLD KEITH THOMPSON, Jr., was one of the individuals attacked as a right-wing leader, he had gotten in touch with THOMPSON. Subject stated at first he had only met HAROLD KEITH THOMPSON, Jr., on one occasion about a year ago.

[redacted] Subject advised he has never been a member of any club, organization, or society whatsoever. He specifically denied being a member of any pro-Neo-Nazi group or organization. He stated further that he had never attended any meetings of any Neo-Nazi [redacted] or group which supported the pro-Nazi view. Subject also specifically denied that he had ever been a member of any youth group, and stated that although he had other youths about his age come to his home on occasions it had never been for the purpose of any meeting.

"Thanking you"

Confidential Informant who has furnished reliable information in the past, advised in February 1959 that George Lincoln Rockwell had organized a Nazi-type group known as the World Union of Free Enterprise National Socialists. The tenets of the group included the migration of Negroes to Africa and execution of Jews guilty of Zionist and communist treason. This informant advised Rockwell is currently holding meetings of the Officer Corps of this group and Rockwell claims to have supporters in other cities in the United States.

The February 17, 1959, edition of "The Washington Post and Times Herald," a Washington, D. C., daily newspaper, contained an article by Drew Pearson, a well-known newspaper correspondent and radio commentator, captioned, "Virginia 'Haters' Write to Nasser," which article reflects that just across the Potomac River from the nation's capital are the "headquarters of one of the most virulent and vitriolic hate-nests in the USA. It has had contact with those investigated in connection with the bombing of the Atlanta synagogue, draws money from Arab forces, and even sends word of its activities to Colonel Gamal Abdel Nasser of Egypt. On February 6 a registered letter was mailed to Nasser from George Lincoln Rockwell, the Arlington hate-monger..." For information of those offices who have not had prior communication in this case, it is to be noted that GEORGE LINCOLN ROCKWELL, aka Lincoln Rockwell, 6512 Williamsburg Boulevard, Arlington, Virginia, started organizing a group known as the WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS (WUFENS) in February, 1959. WUFENS described as a Nazi-type group to combat Jews, and ROCKWELL expects to become President of the United States through his activities. Tenets of WUFENS program call for execution of Jews involved in Marxist or Zionist plots; the emigrating of Negroes to Africa; and the trial and execution of all persons acting as fronts for "Jew treason." Headquarters located at 6512 Williamsburg Boulevard, Arlington, Virginia. Persons meeting at headquarters comprise individuals to be the officer corps to exploit the masses. The WUFENS flag consists of old Nazi flag with blue circle in place of the swastika. ROCKWELL claims he has supporters in Bern, North Carolina; Chicago, Illinois; Cincinnati, Ohio; Detroit, Michigan; Oklahoma City, Oklahoma; and clubs near Los Angeles, California; and Pensacola, Florida. Besides meetings, the group has distributed anti-Jewish literature at various places. Weapons are in possession of WUFENS members in the Washington metropolitan area.

LITERATURE DISTRIBUTION

[redacted]
Arlington, Virginia, on 6/15/59, made available a copy of the literature distributed in Arlington, Virginia, on 6/14/59.

One piece of literature is entitled, "We Challenge The Jews!", and thereon is a photograph of ROCKWELL and S. A. DAVIS, leader of the Back-to-Africa movement in Chicago, Illinois; a photograph of ROCKWELL in khaki shirt and tie and a swastika armband; and a photograph of ROCKWELL and his family.

Contents of this literature indicate that ROCKWELL and DAVIS had planned on a joint demonstration at the White House for 10:00 A.M. on 4/20/59, but by strange coincidence the Commonwealth Attorney of Arlington County, had asked the Circuit Court for a subpoena duces tecum "hauling in" ROCKWELL, and his political records into court at exactly 10:00 A.M., 4/20/59; that the following day, the Commonwealth Attorney raided his headquarters and took his flag, books, magnetic tapes, literature, and other items; and that only then did the newspapers print any news about ROCKWELL's activities, thus were suppressing news; and that on 6/6/59, two of ROCKWELL's troopers rented the Odd Fellows Hall from

RH 100-9667

WILLARD THOMPSON, President of the Odd Fellows, in order that ROCKWELL would have a chance to speak to the people in the American tradition of free speech but three days thereafter the agreement was canceled.

Also, distributed with this literature was a pamphlet entitled, "Fact for Fact" International Edition, April, 1959, Volume III, Number 4, published by the Foundation for Advanced Research, Inc., 505 Fifth Avenue, New York, New York. The pamphlet contains one article by BENJAMIN H. FREEDMAN, who is listed as the founder in 1950 of the Christian Anti-Defamation League, Inc.

The article is entitled, "BRAINWASHED U.S.A. CHRISTIANS DUPED BY UNHOLDEST HOAX IN ALL HISTORY." The article reads in part as follows:

"One more step in the wrong direction by U.S.A. foreign policy at this time will seal the doom of the U.S.A. for evermore.....The blood of this and countless unborn generations will not be able to erase from the black pages of U.S.A. history posterity's legitimate and justified verdict of U.S.A. guilt for all lives lost and destruction wrought in World War III as the sequel of a wrong step in the wrong direction by U.S.A. foreign policy.....The prevention of World War III must be regarded by everybody everywhere in the world as the most critical problem confronting us.....The U.S.A. will contribute the indispensable requisite for the prevention of World War III only when the U.S.A. puts an end to the 'big lie' technique of the unholyest hoax in all the recorded history of mankind, the incubator for hatching the egg of World War III while the U.S.A. is sleeping soundly or is very busy making more money and having more fun.....The 'big lie' technique of the unholyest hoax in all the recorded history of mankind brainwashed U.S.A. Christians that so-called 'Jews' throughout the world today are the historic descendants of the so-called 'chosen people' of the Holy Land in Old Testament history. The consensus of leading authorities on the subject stresses the fact that to their best knowledge so-called 'Jews'

throughout the world today are not the historic descendants of the so-called 'Jews' of the Holy Land in Old Testament history. They furthermore feel that the threat of World War III hanging over the U.S.A. is the result of the 'big lie' technique of the unholyest hoax in all the recorded history of mankind.....The unqualified consensus of those most competent and in the best positions to judge the probability or possibility of the outbreak of World War III base their conclusions upon increasing tensions throughout the world as a result of U.S.A. foreign policy in non-Christian areas of Africa, Asia, the Middle East and in Europe since 1945.....The U.S.A. Christians continue being brainwashed by U.S.A. media of mass-communications that so-called 'Jews' throughout the world today are the actual historic descendants of the so-called 'Jews' of the Holy Land in Old Testament history. The U.S.A. Christians have been brainwashed by so-called 'Jews' of historic Khazar ancestry, and by their servile Christian stooges, as they have been brainwashed by them for many years with the unholyest hoax in all the recorded history of mankind, betraying the confidence of Christians.....U.S.A. media of mass-communications are owned and otherwise directly or indirectly under the subsidized control of so-called 'Jews' of historic Khazar ancestry, with very few exceptions. U.S.A. media of mass-communications make up the minds of the public for them on all important questions without public realization of that fact.....Incontestible facts supply the unchallengeable proof of the historic accuracy that so-called 'Jews' throughout the world today of eastern European origin are unquestionably the historic descendant of the Khazars, a pagan Turco-Finn ancient Mongoloid nation deep in the heart of Asia according to history, who fought their way in epic conflicts about the 1st B.C. century into eastern Europe where they set up their Khazar kingdom.....The pagan Khazar

kingdom became a nation of so-called 'Jews' about the year 720 A.D.....The historic existence of the Khazar kingdom of so-called 'Jews', their rise and their fall, the permanent disappearance of the Khazar kingdom as a nation, from the map of Europe, and how King Bulan and the Khazar nation in 720 A.D. became so-called 'Jews' by conversion, were concealed from U.S.A. Christians by a strict censorship by so-called 'Jews' of historic Khazar ancestry of all U.S.A. media of mass-communication controlled by them.....In the centuries which followed the complete liquidation of the Khazar kingdom, the Russian empire fought frequent wars with rising dynamic young nations in eastern Europe seeking Russian territory for further expansion.....The shifting borders of nations in eastern Europe as a result of these wars explains the presence of very large numbers of so-called 'Jews' of historic Khazar ancestry after the 14th A. D. century in the nations throughout Europe.....The so-called 'Jews' of historic Khazar ancestry form 92% of the total population of so-called 'Jews' throughout the world today.....The leading organizations of so-called 'Jews' proudly proclaim two-thirds of so-called 'Jews' in world today are now in the U.S.A.....The 'big lie' technique of the unholy hoax in all the recorded history of mankind brainwashed U.S.A. Christians to support Zionist aggression against Palestine as their 'Christian duty' to avenge the 6,000,000 men, women, and children allegedly put to death in furnaces and gas chambers by the Germans.....In view of the foregoing facts the Arab nations do not appear unreasonable in asking that Palestine be returned to its 1,000,000 rightful Arab owners driven into exile by Zionist aggression.....Until and unless Palestine is restored the status quo ante the unjustified and unwarranted liquidation of Palestine by Zionist aggressors the peace of the world will remain in danger. The security of the U.S.A. will remain in danger until peace with justice returns to the Middle East. The

RH 100-9667

present and future status of Palestine will prove the product of U.S.A. ignorance and indifference. It may also prove the price the U.S.A. may pay for hatching out World War III."

COURT ACTION

[redacted]
Arlington, Virginia, on 6/5/59, advised that ROCKWELL's witnesses for his forthcoming trial were to be [redacted]

[redacted] in Arlington County Court, ROCKWELL on 6/5/59, filed a motion to dismiss the presentment and the Judge had set 6/15/59, as the date for arguments on the motion to dismiss. If the presentment is not dismissed trial date is to be reset that date.

[redacted] 6/15/59, advised that the motion to dismiss argument was postponed until 7/1/59.

[redacted] Arlington, Virginia, on 7/1/59, advised that Judge WILLIAM MEDLEY, Arlington County Court that date had refused to dismiss the presentment against ROCKWELL and set trial for the October term of Court.

The Northern Virginia Sun, an Arlington, Virginia, newspaper, in its edition on June 11, 1959, revealed ROCKWELL filed a suit for \$1,920.00 against the Falls Church, Virginia Lodge 11 of the International Order of Odd Fellows, claiming the order had hurt his "political career" by canceling his use

RH 100-9667

of the Odd Fellows Hall for a rally.

According to the newspaper, two members of ROCKWELL's group sought the Odd Fellows Hall for him on June 6, 1959, and that the president, WILLARD THOMPSON, had informed the hall could be used, but that it was strictly a business transaction, the IOOF in no way endorsing ROCKWELL's Nazi and anti-Jewish views; however, the Board of Trustees of the IOOF had voted to cancel the hall rental.

WORLD UNION OF FREE ENTERPRISE
NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprise the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation with a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, calls for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised on May 20, 1959, that the officer corps still meets at the organizations headquarters at 6512 Williamsburg Boulevard, Arlington, Virginia, and that its main activity since its inception is the distribution of anti-Jewish material as well as material setting forth the program of the organization.

Regarding ROCKWELL, the "Washington Post and Times Herald," Washington, D. C., newspaper for April 22, 1959, in a story on page A1, describes him as a self-styled printer of anti-Jewish literature.

DEFENDERS OF STATE SOVEREIGNTY
AND INDIVIDUAL LIBERTIES
(DSSIL)

This organization, which was incorporated in Virginia on October 26, 1954, has been identified as a group which is "pledged to preservation of racial segregation." At its third annual convention held in Richmond, Virginia on May 24, 1959, the DSSIL adopted a "Statement of Convictions" urging the people of Virginia to elect a General Assembly which would return to a policy of "massive resistance" to integration. This statement continued, "We deplore the abandonment of massive resistance....as our State's policy in opposing Federal tyranny."

A review of news accounts and the official organ of this organization, "The Defenders News and Views", reflects that numerous highly respected Virginia citizens and political figures are members of the DSSIL and this group is opposed to violence and illegal tactics and is concerned only with opposing racial integration in the public schools through legal means.
